

Boardman Church Setting For Wilson-Poulsen Wedding

By Mary Lee Marlow
In a double ring ceremony at the Boardman Community church on April 16, Mrs. Ann Poulsen, daughter of Conrad Wyss, Rieth, and Mrs. Arthur Graham, Hermiston, became the bride of William Wilson, son of James Wilson of Grants Pass, and Mrs. Charles Childress, Portland. The service was performed by the Rev. A. E. Davis, pastor of the Methodist church in Hermiston, before the altar decorated with white Easter lilies.

Charles Sargent sang "I Love You Truly", accompanied by Mrs. Frank Marlow, who also played the wedding marches.

Given in marriage by a friend, Sam Turk, the bride was lovely in a ballerina length gown of chartreuse nylon, and carried a bouquet of white carnations and white daisies. She wore white beads and a white hat.

Miss Katherine Wyss, Pendleton, was her sister's maid of honor and wore a brown and white striped cotton gown of ballerina length and a white hat and beads.

Bob Pauw, Spokane, Wash., was best man and ushers were Bob Smith and Rodney Bowes. The bride's daughters, Connie and Susan Poulsen, were flower

girls, and were dressed in dotted red nylon frocks with white overskirts.

For her daughter's wedding Mrs. Graham wore a gray nylon suit with red and white accessories, and a red and white carnation corsage.

The groom's mother wore a salmon pink linen suit with pale pink accessories, and a pink and white carnation corsage.

Following the ceremony a reception was held in the church basement with Mrs. Joe Tatone, aunt of the groom, in charge of arrangements. The serving table had a centerpiece of peach blossoms and pink tapers.

The beautiful four-tiered wedding cake was cut and served by Mrs. Kenneth Rogers, Portland sister of the groom, after the traditional piece was cut by the couple. Miss Erna Richau presided at the punch bowl.

Here from out of town for the wedding were Mr. and Mrs. Charles Wicklander, Portland, grandparents of the groom, Mrs. M. Potter and son Jay, Mrs. George Brandl and daughter Vickie Ann, and Mrs. E. E. Kingsley, all of Pendleton; and Mr. and Mrs. Jesse Bennett and daughter Barbara, Elgin.

After a wedding trip to Portland and southern Oregon the couple will live here.

The night before the wedding Mrs. Joe Tatone was hostess for a personal shower for the bride-

to-be. Present were Mrs. Arthur Graham, Hermiston, Miss Katherine Wyss, Pendleton, Mrs. D. Tatone, Arlington, Mrs. Charles Childress, Mrs. Kenneth Rogers, and Mrs. Wicklander, all of Portland.

BUGS ARE OPTIONAL

You can control the insects that attack your home, your outdoor recreation areas, your garden, your lawn, and your crops and livestock. There is no need to live with them or try to hide from them. Modern chemicals have been formulated to kill all insects, and fortunately, modern sprayers and dusters are readily available to apply these controls. A compressed-air or a knapsack sprayer can be the most useful equipment around the home. These sprayers come in sizes of 1 1/2 to 5 gallons capacity with a built-in, hand-operated air pump to provide pressures of 30 to 50 pounds, satisfactory for all home spray jobs, states National Sprayer and Duster Association, Chicago. The sprayer can be used for applying residual sprays around the home, on porches, screens, foundations and other places where insects congregate. It can also be used in the garden to control both eating and sucking insects on growing plants and shrubs. It will be useful in spraying foliage of shrubs and can be used on small fruit trees. The same type of sprayer is used to apply weed and crabgrass killers to the lawn. It is a good practice to have one sprayer for insecticides and another for weed killers.

cher, Kay and Nancy Carpenter, Brenda, Debora, and Marcia Young, Wilma Warren, Barbara Terrel, Darlene Anderson and Patty Collins. Mrs. Harley Anderson assisted Mrs. Smith with the serving.
