

Morrow County Leads Oregon in CONSERVATION

AND IS PROUD TO JOIN WITH THE REST OF THE STATE IN OBSERVING

Conservation Week May 1 thru 7

These Boosters For The Conservation of All our Resources

Commend All Conservation Agencies for Their Work
and Urge Even Greater Support for Future Projects!

This Message-

Sponsored for the Heppner Soil Conservation District
by the Following Conservation-Minded Businesses and
Individuals of Morrow County--

PROCLAMATION

WHEREAS, several soil conservation districts have petitioned that one week of this year be set aside as soil conservation week; and

WHEREAS, the conservation and intelligent development, use and protection of our natural resources is of primary importance to our present generation, and to generations yet unborn, and inasmuch as our soil, water, forest, range, fish and wildlife, and mineral resources are the foundation of our economy and way of life; and

WHEREAS, the State of Oregon through the Committee on Natural Resources is coordinating and carrying forward a constructive program of conservation of these resources participated in by numerous agencies, service groups, business organizations, and countless individuals; and

WHEREAS, it is of utmost importance that we continue this work of conservation and efficient use of these resources to the betterment of all humankind,

NOW, THEREFORE, I Paul Patterson, Governor of the State of Oregon, in order to properly designate the importance of this work, by virtue of the oath in me vested, do hereby declare and proclaim the week of May 1 through May 7 as

CONSERVATION WEEK

and respectfully urge all organizations and citizens of our State to develop and participate in conservation programs during that week in order that we may place even greater emphasis on this very important work.

PAUL PATTERSON
Governor of Oregon
