

## Ione Garden Club Installs Officers At Tuesday Meet

By Echo Palmateer

The following officers were installed at a Garden club meeting in the city park Tuesday afternoon June 21: Mrs. William Rawlins, president; Mrs. Monetta Aldrich, vice president; Mrs. Phil Emert, secretary and Mrs. Edith Nicholson, treasurer. Mrs. O. L. Lundell is the past president. They were all presented with gifts by the installing officer, Mrs. Ernest Heliker.

Mrs. Edith Nicholson gave a very interesting report of the State garden club convention in Portland where she was a delegate. The Ione club exhibited a corsage of strawflowers and wheat there which was made by Mrs. Cecil Thorne. Mrs. Heliker gave a reading, The Meeting Will Come to Order.

The fire place in the park is finished with the exception of screens. Cards of thanks will be sent to the following who helped with the fire place: The Elks lodge of Heppner gave \$50; Mrs. Harry Yarnell gave \$100; the Amica club \$5; the H. E. C. of Willows grange \$5; the Leonard Carlsons \$15; the Ernest Helikers \$5; Donald Heliker hauled and donated concrete and gravel; Melvin Melena donated the cement; those donating labor are O. L. Lundell, Ernest and Donald Heliker, Paul O'Meara, Wate Crawford, Ed Buschke and Henry Koebnick. Mr. and Mrs. O'Meara gave a table and benches to the park.

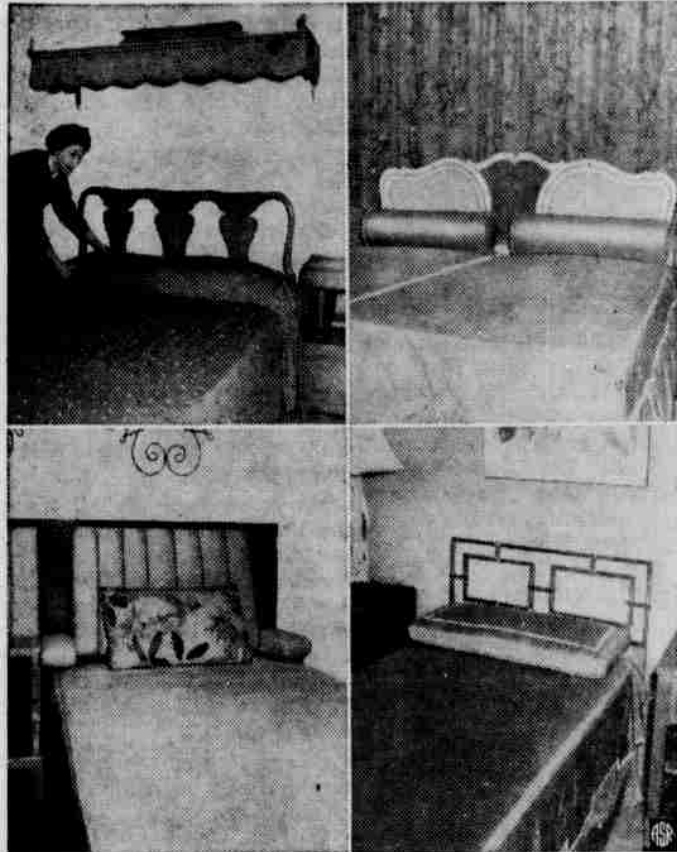

Chairman of committees for the coming year are: program and year book, Mrs. O. L. Lundell; publicity, Mrs. Echo Palmateer; flower shows, Mrs. Phil Emert; corsages and arrangements, Mrs. Edith Nicholson; nominations, Mrs. Harry Yarnell; magazines, Mrs. Walter Dobyns; Christmas, Junior gardens and membership, and park, Mrs. Fredrick Martin and photographic, Mrs. Heliker.

There were 16 members present and one guest, Mrs. Ralph Horton, of Astoria. Cookies, lemonade and coffee were served after the meeting. It was a no host affair.

Mrs. Wate Crawford and Mrs. Sam Esteb entertained the Three Links club of Bunchgrass Rebekah lodge at the Crawford home Friday afternoon June 24. The roll call was answered by giving a patriotic quotation or the standards of a good citizen. The finishing of the floor in the Rebekah hall was discussed. Refreshments were served after the meeting. The social meeting of the Topic club was held at the Victor Rietmann home with Mrs. William Rawlins as co-hostess. Pinochle and bridge were played. Those winning prizes were, in

Give yourself a pleasant start on sleep by making your bedroom furniture match the kind of dreaming you want. Here are four headboard ideas for as many different fashion tastes.

(Upper Left) Personified with almost classic simplicity, this traditional Queen Anne bed introduces a new note in canopies—a half canopy. A hazlet finish is used over solid mahogany and white walnut veneers.

(Upper Right) A large dual headboard for twin beds is available in any style preference. It is shown here in exquisite French Provincial. The color is pastel—pink, blue, green, yellow, gray, or vellum. The headboard wood paneling is divided by an inset of cane, a recent furniture fashion revival.

(Lower Left) Here is one side of a dual-style headboard that makes no secret about giving individual sleeping comfort. The lovely fabric used for the upholstered paneling is the same as the bedspread. This is framed by ebony wood. The panel can be angled to serve as backrest for reading. Completing the comfort picture are arm rests, which drop down from the headboard.

(Lower Right) Simplicity again displays itself, this time with a keen elegance in a brass headboard. It's as contemporary as tomorrow, or it will blend with your traditional furniture.

QUESTION: Why are juries awarding such terrific amounts in personal injury damage suits? Are they getting more sympathetic or are the plaintiff's lawyers getting better or what?

ANSWER: There are several reasons for the larger awards. Medical and hospital costs are away up and other expenses and property costs are higher. Also the earning power of most people has increased tremendously and the loss of that income due to accident can reach staggering figures.

Chevrolet's special hill-flatteners!

162 HP V8

180 HP V8

See that fine fat mountain yonder? You can iron it out, flat as a flounder... and easy as whistling!

Just point one of Chevrolet's special hill-flatteners at it (either the 162-h.p. "Turbo-Fire V8" or the 180-h.p. "Super Turbo-Fire")... and pull the trigger! Barr-r-r-r-o-o-o-O-O-O! Mister, you got you a flat mountain!

... At least it feels flat. For here are engines that sing as sweetly as a dynamo... built to pour out a torrent of pure, vibrationless power. Big-bore V8's with the shortest stroke in the industry.

So most of the time they loaf. Even at the speed limit they just dream along, purring out a fraction of their strength.

An engineer can understand why they are so hyper-efficient. But you don't have to be an engineer to know that these are the sweetest running V8's you ever piloted. Just come in and try one out!
