**WHY**

Does 'Northwestern' Have A Larger Run of Good and Choice Quality Cattle Each Week?

The answer is because farmers and ranchers receive from \$1 to \$2 cwt. more for their stock at 'Northwestern' than in any other place or manner of selling.

**WHY DO THEY RECEIVE HIGHER PRICES (AT LESS COST) AT 'NORTHWESTERN'?**

The answer is because buyers in large numbers from a wide area recognize 'Northwestern' as a dependable source of clean sanitary, well-handled cattle.

**See the Difference?**

(No Center Posts!)

188-hp Buick SPECIAL 6-Passenger, 4-Door RIVIERA, Model 43

**This 4-Door Beauty is the Newest Hit in Hardtops**

**YOU** certainly ought to come in and see for yourself why this new kind of hardtop is headed for the best-seller list. It's a Buick Riviera, of course. Which means the low and rakish look of a Convertible — a solid steel roof overhead — and no center posts in the side window areas to obstruct your view.

But that's only the beginning. Here you get *two extra doors*. They open to the rear compartment. So no one in the front has to move when someone gets into or out of the rear.

Here you get massive *half-pillars* on either side on which the front doors latch and the rear doors hinge. (That's why you see no center posts above the door line.)

Here, too, you get wholly new principles in body design and strength that give the extra safety of rock-firm solidity at the top, sides and bottom.

And here—bless those Buick engineers!—you get a lot more room in the rear compartment.

**Thrill of the year is Buick**

For the 4-Door Riviera gives you over 9 inches more hiproom and 5 inches more legroom — yet with *no* increase in wheelbase or over-all car length.

So we repeat—you certainly ought to come in and see this stunning new kind of hardtop.

It's the very last word in beauty, comfort, convenience. It's available in Buick's two lowest-priced Series — the SPECIAL and the CENTURY. And it's *all* Buick — with Buick power, Buick ride, Buick handling—and the spectacular performance of Buick's Variable Pitch Dynaflo.\*

Drop in today—tomorrow at the latest—and learn what Buick's all time record sales year can mean to you in the way of a whopping-big trade-in deal.

\*Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on ROADMASTER, optional at modest extra cost on other Series.
