The answer to everyday insurance problems*
By Turner Van Marter & Bryant

QUESTION: My neighbor says he has some kind of small theft insurance under his fire policy. Is this possible?
ANSWER: It could be a Householder's Limited Theft coverage which is added to a fire insurance policy and protects against theft losses in limited amounts.
*If you'll address your own insurance questions to this office, we'll try to give you the correct answers and there will be no charge or obligation of any kind.
