Pleasure-hunters mean prosperity for you and the Pacific Northwest

...Here's how we roll out the red carpet for them Last year, some 4 million tourists—drawn by Pacific Northwest scenery and hospitality—spent \$310,000,000 here! This money went into practically every community, benefited almost everyone. Making motoring pleasant for these visitors is an important job at Standard and Chevron Stations. In 1907 we built the world's first gas station at Seattle... we've pioneered clean restrooms, windshields... tire and battery care... expert attention to old and new cars... along with top-quality Standard products. They all make motoring more pleasant and are the reason why our service is the 3-to-1 choice of Western motorists.

... And Standard now offers a BIG PLUS for your car! In "Detergent-Action" you get the Chevron exclusive that cleans out carburetor deposits, ends the biggest single cause of engine trouble. Now, from our newest refining process, comes the highest octane in Chevron history... in gasolines that control a major source of harmful combustion acids to extend engine life and power up to 135% longer! Get the BIG PLUS today — at Standard and Chevron Stations.

NOW RECORD BREAKING FORD TRADES

Fairlane Victoria V-8 illustrated

We're out to make this Ford's biggest sales year... even better than 1954, when more people bought FORDS than any other car!

F.D.A.F.

Higher trade-in for your old car! Ford Dealers want you to be driving a '55 Ford. They'll trade the limit to put you into one!

Lower down and monthly payments! It's easy to figure this one. You get more for your old car, pay less for your new Ford. Makes payments easy!

COME IN NOW and let us show you how easy we can make it for you to own a beautiful new Ford!

FORD the new BEST SELLER... sells more because it's worth more!

FORD holds onto its value! Because of Ford's traditionally high resale prices, you can count on your Ford to hold onto its value for the future!

Lower operating costs! Ford led its "low-priced three" competitors in gas economy in the Mobilgas Economy Run in both 6 and V-8 competitions!
