Customer's letter describes thrill of telephone conference call

"Dear Sirs: Recently my brother arranged a conference telephone call with me and our two sisters. We each live in different parts of the country. The operator let me know about it at noon and said we would all be able to talk to each other at the same time. That night, right on time, it was carried out perfectly. It was as though everyone was right in my kitchen, it was so clear. I do want to thank all who helped make this thrilling experience possible."—Mrs. Clara B. Wilcox
