

Bridge Club Meets At Jones Home

The Fidus and Fyoudas met for dessert bridge last Thursday night at the home of Mrs. Paul Jones.

Members and guests present were Paul Jones, Mrs. Herman Green, Mrs. Cornett Green, Mrs. William Cox, Mrs. Howard Bryant, Mrs. Floyd Jones, Mrs. Frank Connor and the hostess.

Mrs. Cornett Green held high score and Paul Jones won second prize.

Church Parties Held On Hallowe'en

Children of the Christian, Methodist and Episcopal churches were entertained at Hallowe'en parties Monday evening. Preschool children and first, second and third graders had their party in the basement of the Christian church and the fourth, fifth and sixth graders celebrated the occasion at the parish hall.

Both groups spent the evening watching movies. Refreshments were served later.

Big car luxury and performance are combined in Buick's medium priced four-door hardtop sedan in the Special series. Powered by a 322 cubic inch, 220 horsepower engine, the Special boasts one of the biggest power plants of any car in its class. All the beauty of Buick's distinctive styling, including the new front end, full rear wheel cutouts and luxurious interiors are featured on the Special series. Dynaflo, power steering, power brakes and dual exhausts are optional on the Special.

Here it is for '56—
Best Buick yet

When better automobiles are built Buick will build them

IT COMES upon the heels of the most successful Buick in history—and beats it on every score.

In shimmering steel and solid sinew, it's Buick for 1956—and there's never been anything like it for pure automobile.

You get a good hint of what we mean when you take in its sweep-ahead styling—from the air-splitting prow of its V-front grille to the robust rake of its canted rear profile.

You get an even better hint when you open the doors and see the dazzle there.

But it's when you put this beauty to the city streets and the open highways that you learn the best of it.

For here is performance without parallel. A new advance in Variable Pitch Dynaflo* goes airplanes one better—steps up your getaway in normal driving without switching the pitch. But when you do need that

extra surge, it's there *instantly*—and in extra abundance.

The might of big 322-cubic-inch V8 engines in every Series brings new record high power to all Buicks—ROADMASTER, SUPER, CENTURY, and the bedrock-priced SPECIAL. And to handle such dynamic driving power, the whole rear end has been endowed with extra brawn and left and solidity.

We could spread before you an acre of blueprints on the engineering gems that spark the spectacular performance and ride and handling and roadability of these great Buicks for 1956.

But you can get the full and magnificent story right now, at our showroom, in a face-to-face meeting with the best Buick yet—now on display, and setting a dazzling new pattern for 1956.

*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

ATTENTION HUNTERS

And Those Inclined To Shoot At First Sight!

The Morrow County Livestock Growers Association has recently amended its livestock theft reward program to include SHOOTING OF LIVESTOCK. They will now pay a

Reward Not to Exceed \$500

For information and evidence resulting in the arrest and conviction of any person or persons stealing or shooting livestock owned by a member of the Morrow County Livestock Growers Assn.

Those persons having information of such actions are urged to report to any law enforcement officer or member of the association.
