Christmas Club Funds Soon in Circulation

Christmas shopping will begin in earnest for nearly 10,000 Oregonians soon when the First National Bank of Portland mails out three-quarters of a million dollars to Christmas club members throughout the state.

Each club member will receive a check for the amount saved during the past year, plus interest, just in time for early holiday shopping, C. B. Stephenson, First National president pointed out. The money is saved under the club's systematic program.

Christmas club officials estimate that more than a billion dollars will be distributed nationally during November to more than 12,000,000 members throughout nearly 7,000 institutions.
