IONE HIGH SCHOOL

1st Grade News.
 The first, second and third grades enjoyed having a Halloween party together. We played games in the gym and the room mothers served refreshments.
 Jimmy Jacobs and Kenny Esteb have been out of school this week because they have the mumps. We shall be glad when they can come back.
 Mrs. Nelson and Mrs. Matthews visited our room this week.

4th and 5th Grade News
 Last week we chose as our room president, Ronald Crabtree; our vice president, Marvin Padberg; secretary, Judy Sherer, and news reporter, Sandra Eubanks.
 The 4th grade is studying about the structure of bodies and some pupils are bringing skeletons of animals. The 5th grade are bringing exhibits of simple machines.
 The room mothers gave our room cider and doughnuts for our Halloween party. Ronnie Crabtree gave cookies as a treat and Bill Akers gave popcorn balls. Our game committee had games with candy prizes for winners. The decorating committee were Marvin Padberg, Jim Howton, Judy Sherer, and Arleta McCabe.

8th Grade News
 We have been having nine weeks test in some subjects. All of the girls have been busy

practicing for the tryouts in yell-leading Monday.
 Mrs. Akers brought some refreshments for our room on Halloween. We also had a nice time at the party Monday night.
"Ione's Sportsmanship"
 Ione has always been known for their good sportsmanship and support of our community. We are very proud of the interest our parents and friends give us.
 We played Echo two weeks ago and displayed about the poorest sportsmanship the students of Ione have ever seen. It wasn't the students who cut up but a few of our parents. How do you expect us as students to grow up with a decent attitude toward life if adults set a poor example. It takes a big person to take a loss as well as win.

Weather Report
 Due to recent rain the farmers around this vicinity have been able to start seeding. There are some who have finished seeding quite some time ago and their wheat has made good progress due to this much needed moisture.
 Monday night it snowed so Tuesday morning there were some surprised people. By Tuesday night most of the snow was gone.

New Football Jerseys
 The Ione football team got new football jerseys. They are red with white numbers and stripes around the sleeves. They look real "sharp" boys!
 The basketball squad also will have new warm-up trousers.

Boys Sport News
 Friday night, the 28th, Ione Cardinals were defeated by Stanfield 19-0. Stanfield made their 19 points in the first half. Ione held them to no score in the second half.

Homemaking
 The homemaking girls are going to give a Mothers' Tea for the high school mothers, Nov. 10, 2:00 p. m. Thursday. Thursday the girls experimented with cream puffs. Some of the girls' cream puffs turned out fine and others were fair. We are all learning and having a lot of fun at it.

Halloween Party
 There was a nice Halloween party given by the eighth grade and high school room mothers, on Oct. 31, Monday evening. It was for eighth grade through high school. Dancing and games were enjoyed by everyone.
 Prizes were given for the best costume. Keith Rae won first. He was dressed like a young lady. Ernie and Darlene Drake won second. They were dressed as Hobos. Lindsey Kincaid won third, he was dressed as an Arab.
 We wish to thank the room mothers for the wonderful party. We all had an enjoyable time.
