History of Ione Club Told Soroptimists By Mrs. O'Connor

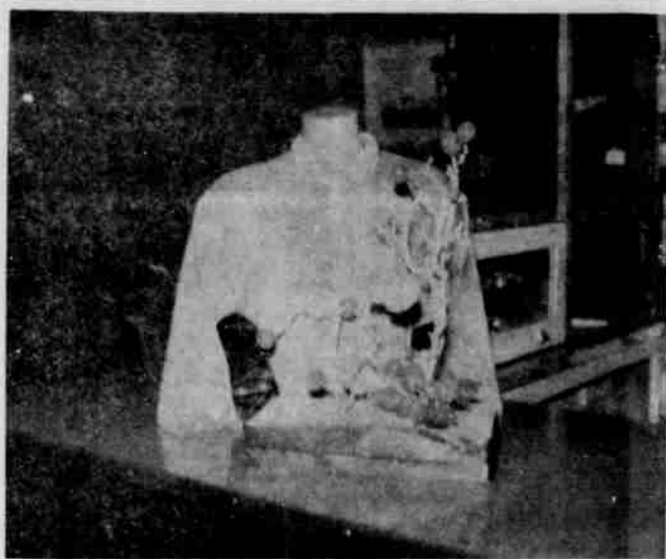

Mrs. Charles O'Connor, president of the Ione Topic club, was guest speaker at the Soroptimist club luncheon on Thursday at O'Donnell's. She told some of the history of the Topic club, their aims, and projects. The theme of the club is "The more we think the more we live". They have 24 members, the club is 25 years old and their main project is the support of the Ione Library.

The library started as a traveling library in 1935, in 1936 it became a permanent one. In 1949 all the books were destroyed by fire and they started over and in 1952 moved into their new modern library in the Ione city hall. They have a library board consisting of members of the club, who do the planning and a lot of the work.

The club sponsors a Know Your Library Week in Ione, going to the school and acquainting the children with what the library has to offer. At the end of the week they have a silver tea, which helps to finance new books and other needs for the library.

Besides this one large project they helped financially with the school band uniform fund and contributed substantially toward the swimming pool fund.

During the luncheon, birthday cake was served in honor of Mrs. Grace Nickerson, Mrs. Clara Gertson and Mrs. Roice Fullerton, whose birthdays are in November.

MARY VAN'S FLOWER & DRESS SHOP has a grand selection of gifts for the "girl in your life" or the person that is "hard to buy for." Shown in front of the sweater is one of the special Christmas center pieces or mantle decorations that take a back seat to no designer in the country—just one of many! In the background is a Gift Styled knit blouse that caught the eye of at least half the women in Morrow county—(editor's Note, there's still one left that will fit your wife.)

The answer to everyday insurance problems*
By Turner Van Marter & Bryant

QUESTION: I carry Medical Payments coverage with my automobile insurance and I would like to know whether there is any limit per person or per accident in that insurance.

ANSWER: The limit of Medical Payment coverage for each person is set by you when you buy the insurance. There usually is no limit set for any one accident. Have a good insurance agent check your policy and give you the exact figures.

*If you'll address your own insurance questions to this office, we'll try to give you the correct answers and there will be no charge or obligation of any kind.
