6th and 7th Grade News

The sixth grade has been making relief maps in geography of South America.

In science they are studying telegraphing. The girls are going to learn the Morse code, so that they can tell what the boys say when they tap out codes on the telegraph machine.

Our first grade school basketball game in December 1st is with Echo, and we hope that we will have a successful team this year. Parents, please be good sports and yell with us.

Rhea Creek Ranch Now has TV

Mr. Earl McKinney has now got his TV set in. He has built a 25 foot tower on top of a hill that gets the reception, and TV in to the house with telephone wire. He is running the TV on the telephone wire up and down Rhea Creek.

The Cooks Say
 The Cooks would like to express their Thanks to the home-making class and to the 4th and 5th grades for decorating the Cafetorium for Thanksgiving. Along the window wall the 4th and 5th grades made a scene of the first Thanksgiving. The picture was colorful and brought many compliments. The tables had brown, yellow and orange crepe paper, topped off with turkeys made out of pine cones. On another wall the home-making class put up a Grace, "For Health and Strength and Daily Food we Praise Thy name, O Lord." There were cut out in old English lettering.

The menu we had for Thanksgiving dinner was Turkey with dressing, Irish potatoes, giblet gravy, cranberry crunch, pumpkin pie. This was enjoyed by everyone.

We appreciate the help toward the lunch room for the Thanksgiving dinner. Mildred Eubanks roasted a turkey. Helen McCabe helped in the kitchen with the dinner.

Could You Pass a Sixth Grade Examination.

If you think kids have it easy, try a few of the questions they have to answer!

A number of parents scolded their children last month for bringing home report cards that fell short of perfection or what they expected from their child. But suppose the kids, instead of bringing home report cards, brought home their exam? How would parents fare?

Care to find out just how you would do on Johnny's sixth grade test? Please try the following questions, based on material sixth-graders across the nation must know.

Sample questions:

- Each of these three men founded an American colony. Name the colony.
 - Rodger Williams
 - William Penn
 - James Oglethorpe.
- Which of these cities was the first Capital of the U. S.? Boston, Philadelphia, New York, Washington, Charleston.
- Match the following six historical figures with their famous discoveries or conquests.

Balboa	Peru
John Cabot	Mississippi River
Pizarro	Pacific Ocean

Purr along peacefully...or pour it on to pass Driving's Exciting Again!

Greatest "Go" On Wheels
 No other car performs like a Pontiac because Pontiac alone has the Strato-Streak V-8—most modern and efficient power plant in the industry. And for 1956 this great engine delivers 227 blazing horsepower so smoothly that it must be experienced to be believed. For the "go" of the year, go Pontiac.

Let's say you have just logged an extra-long day's mileage in your '56 Pontiac. Your clock tells you it's time to choose a lodging for the night.

Then it comes to you. You don't want to stop! You just want to keep on and on, piloting this sweet, singing beauty wherever fancy points. Sound like a wonderful dream? It happens time and again to owners of this fabulous new car. And the lure that leads them on and on is the performance of Pontiac's great new Strato-Streak V-8... the most thrilling performance on the American highway.

Traffic's a delight in this agile car. Power flows smooth as oil when you leave a light, and with the sharp authority of 227 blazing "horses". Brakes respond with crisp, new certainty. The wheel answers fast as pointing your finger. You're driving with a confidence you've never felt before!

And highway touring is pure pleasure! You swing the curves with new sure-footed certainty... clear a high hill or sweep safely past a loiterer with the happy assurance that you command the greatest "go" on wheels.

And when you settle down to cruising speed on an open highway—that's the real payoff on your good judgment! This is living in a wonderful new way. Driving's exciting again!

Come in and try it—you can prove it in 10 minutes as easily as in 10 hours. And you'll prove something else to yourself. Pontiac's glamour matches its "go"—it's the greatest on the road!
