Jamboree
 The Ione Cardinals started their first round in the Jamboree playing Echo. With a few exciting moments and thrilling points Ione lost, 10-8.

The second quarter was with Lexington high school. Ione started with a lead and kept it throughout the quarter, 9-4. This put us in place to try for the consolation or third place.

The battle was fought with Umatilla. Ione started by making two foul shots. The lead was held only for a little while. Umatilla crowded ahead by one point then Ione took a small lead. After passing the lead back and forth for the whole quarter, Ione finally won, 12-7.

One of the outstanding events of the Jamboree was the yell-leaders contest. All of the yell-leaders were in charge of the cheering section from their own town. Everyone participated in the contest. Ione's cheer-leaders received second place. They lost first prize by one point. Heppner took first with a score of 1699 points, while Ione had 1698 points. Third place was won by Umatilla.

Lets all work for the Sports-manship trophy at the tournament. It all depends upon our cooperation for the whole season. Better crowds make for a better game, so lets all work on it.

Homemaking
 Our high school homemaking class are preparing 3 different complete meals. Each group pays his own meals. We have to plan for \$50 per person, in this way we learn to budget ourselves. One of the menus is: chicken fried steak, irish potatoes, creamed carrots, lime jello salad, bread and butter, sherbet ice cream, coffee.

S. D. Day
 Bill Labhart came to talk to our high school students December 1. His talk was on traffic violation. Many questions were brought up. Most of them were from personal experiences.

There was a discussion of fines, how much, etc.
 There have been 25,000 copies of S. D. Day papers passed out to motorists.
 Last year, the final total of S. D. Day was 107 accidents, 11 in-

juries, 1 death. "Courtesy" is the most important factor on the road. 30,980 were killed last year, 111 people a day killed in traffic accidents.

There is a difference between state patrol and state police. State Patrol is game violation, and state police are just for high-way violations.

The main violation is excessive speed and driving on the wrong side of the yellow line.

The board decided to send Ed Dick and Joe Stewart to Eugene Dec. 9 and 10, as delegates to the state school board meeting.

Bids will also be considered for band risers for the band room. There will be portable risers that can be moved to the stage or elementary school for concerts.

Members voted to buy window shades for the elementary school office.

The resignation of Beulah Ogletree was accepted and it was moved to send a contract to Mrs. Laird, of Ione.

The board reviewed a report made by an inspector of the state board of health on school plant sanitation survey. The report indicated that general sanitation conditions were very good. The suggested improvements concerned the locker rooms and toilet room facilities in the old school and gym.

Representatives from state colleges will talk with the seniors Dec. 16. These college representatives will arrive at 1:30. Any parents who have questions concerning courses or cost are invited to attend this conference.

All students were given group audio tests Dec. 6, to test their hearing. Any students who are screened out as doubtful were given individual tests.

Christmas vacation begins Friday afternoon, Dec. 23 and school will reconvene Tuesday Jan. 3.

1000 at Boardman Hoop Jamboree

By Mary Lee Marlow

The Echo Cougars won the basketball jamboree of the Umatilla Morrow league held here last Thursday night, at which there was an attendance of around 1000. Ten quarters were played, each a portion of an elimination system. In the opener Irrigon defeated Lexington 9-4; then Echo edged 'one 10-8; Heppner defeated Umatilla 12-9; and Stanfield won from Boardman 11-7.

Ione beat Lexington 12-9 and Umatilla edged Boardman 7-6 in the losers' bracket, and then in the consolation championship

contest Ione won from Umatilla 12 to 7.

In the winners bracket Echo took an exciting 17-15 contest from Irrigon, the lead changing frequently, while Stanfield defeated Heppner 11 to 6. This put Echo against Stanfield in the finals and the Cougars won, 17 to 7.

Results of the cheer leaders' contest: Heppner first (Judy Spaulding, Janice Beamer, Mickey Nichols); Ione second, (Judy Howton, Kay Sherer, Grace McCabe); and Umatilla third, (Har-

 The place to stay in San Jose for business AND pleasure.

Gas Mileage goes up AGAIN

And so does the thrill - with Buick's new Variable Pitch Dynaflo!

WITH ALL the big excitement of Buick's 1956 styling and power and ride and handling—it's easy to overlook this fact: Gas mileage in the '56 Buicks takes a big step upward. One reason, of course, is the new power plant itself. Every new Buick cradles an advanced 322-cubic-inch V8 engine with the highest horsepower, Series for Series, in all Buick history. Yet every engine delivers more efficiency, and more usable power to the rear wheels—because each one has a new double "Y" manifold, and a new high in compression ratio.

But the major reason for the happy news in gas mileage—and for the new step-up in safety and thrills—is Buick's latest version of Variable Pitch Dynaflo.

In this airplane-principled transmission, you always had a gas-saving cruising range—and, at a switch of the pitch, a full-power getaway range.

Now Buick engineers have brought to this cruising range what they call "double regeneration." It simply means a new way to make flowing oil add to its own velocity to build up driving force.

So now, you merely nudge the pedal to part throttle and get new breakaway getaway. And since you get this quicker, safer response in your normal cruising range—where you don't use full power—you get plenty more miles from every tankful of gas.

But when you do need sudden safety-surge for emergencies, you just floor the pedal to switch the pitch. Instantly, you're at full-power acceleration—and it's the most thrilling safety measure in the land.

How about coming in to try the most modern transmission yet?

The absolute smoothness of this new Dynaflo is worth a visit in itself. So you can be sure you're in for a wealth of wonderful surprises—for that's just the start of the best Buick yet. Can you make it this week?

*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

It's the '56 Buick—
Best Buick yet
