## WHAT'S DOING

D. A. Short, your Telephone Manager for Heppner

## 1956 will be another big year in telephone progress

This coming year, we plan to put a record \$385 million into new construction and service improvements to serve the Pacific West. We expect to add new equipment of all kinds to make your telephone service even better and to provide new service for the ever-growing number of people here. More lines to carry Long Distance calls and television programs; Direct Distance Dialing from more towns to places as far away as Philadelphia, Chicago and Milwaukee; more colored phones and hands-free Speakerphones. These are a very few of the many things in our continued program to keep pace with the growing West. In the year ahead you'll see plenty of reasons why we say—The men and women of Pacific Telephone work to make your telephone more useful every day.

### Free planning service for homeowners

Are you thinking of building or remodeling in '56? If so, we suggest you include up-to-date telephone arrangements in your plans. Concealed wiring and built-in telephone outlets in each of the rooms you use a lot are low-cost features that add much to the "livability" and value of a home. And, of course, to your comfort and convenience as well. We'll be glad to help you with our free telephone planning service. Just call us and ask for "Architects and Builders Service".

### Holiday greetings

All of us at the telephone company join in hoping that this Holiday Season is indeed a happy one for you and your family. We've enjoyed serving you during the past year, and hope we've done the kind of job you like. We're going to do our best to make your service even better in 1956. In the meantime, here's wishing you a healthy and prosperous New Year. Pacific Telephone.

The New Year bells ring out with our best wishes for everyone for '56. We hope this year will be a wonderful one for you . . . rich in happiness, bright with success . . . full to overflowing with warm, lasting friendships and love.
