First Grade News

Two children were absent the first week in January. Bernice Matthews had the chicken pox, and Patrick McElligatt had the mumps.

We have been having a good time sharing our Christmas vacation experiences and toys. We have written and illustrated stories about some of the toys.

We have made snowmen for the January calendar. And one of our art projects has been free-hand cuttings of snowmen. These will be used as a border to decorate the room.

4th and 5th Grade News

The 4th and 5th grade had a Christmas party Friday, December 23. Judy Sherer and Tom Heimbigner were elected Mr. and Mrs. Santa Claus. Gifts were exchanged. Our room mothers Mrs. Corley and Mrs. Akers furnished all the treats.

Since Christmas vacation we have around eight pupils absent each day with either mumps or chicken pox.

Kitchen News

Hazel Jackson is taking a week off from the kitchen and Marie Akers is taking her place. Mrs.

Brenner says everything is fitting back into the groove again, after the Christmas holidays, and find this little poem a cheerful helper: If your nose is close to the grindstone rough

And you keep it down there long enough

You will soon forget there are such things

As a brook which bubbles and a bird which sings.

Three things your whole life will compose: Yourself, the stone, and your darned old nose.

Bad Road Conditions

The road conditions were very poor over the weekend. The people who went to Portland and the coast ran into ice, snow and rain. Several mountain passes were closed and there have been several mud slides in the Columbia river.

The road conditions over the mountains were also snowy and slick.

A truck driven by Louis Halvorsen tipped over in front of Malena's Warehouse, due to the slick roads. No bad damage was caused.

High School Christmas Party

The Christmas party for the student body and high school teachers was a real success. The Letterman's club decorated the study hall with a very pretty tree and crepe paper streamers on the ceiling. There were some very pretty paintings on the windows, done by some high school girls.

Santa Claus and Mrs. Santa (Bill Salters and Julie Rietmann) with the help of the elves (the freshmen class) passed out the presents.

One of the outstanding joke presents was Bob Pryse's camera. It seemed every time a picture was taken a mouse flew out at the object. One of the nicest gifts was Sue Coleman's pretty little miniature cedar chest from Neil McKay.

Local Boy Moves

Clyde Ritchie, a senior in Ione

high school, moved to Portland to attend school at Jefferson high. Clyde has attended school in Ione since the first grade. He will finish the second semester at Jefferson. We are sorry to see Clyde go, but we wish him best of luck at Jefferson high.

Home Ec. News

The home ec. class has been cooking and baking this last semester. During the Christmas week we made cakes and served them to the student body and the teachers. This next semester we are going to have sewing. Several girls have already picked their projects.

Sophomore News

Dec. 17, Berl Akers and Mr. Stephenson gave the sophomores a party out at Berl Akers, for selling 10 dozen donuts at the dance. Mrs. Akers served us a turkey dinner, with all the trimmings. For entertainment we watched TV, played scrabble. Afterwards we watched movies, that were taken of the younger ages.

For money we are selling golden crumble, and are doing quite well.

Bonnie Crum has been out of school for three weeks because of the mumps. But we are happy to say she is back with us now.

Junior Class News

Well here we are back to school safe and sound. We all had a nice Christmas and a happy new year's eve. Alyce Mason spent her Christmas and new year in Portland with her family. Paul Miller spent his vacation hunting rocks for his big rock collection.

We had a class meeting Tuesday and decided to have a talent show. If any one would like to enter in this contest that will be in March please notify a junior of I. H. S. soon. Any talent is just fine. Any one can compete, married or unmarried, ages 1 to 100.

6th and 7th Grade News

The students are getting ready for the first semester test. The sixth grade made a map of South America. It is a large map hanging at the back of our room. The students find it very interesting and fun to make. We received our gifts resulting

from the mazine drives. Jack Crum and Diane Pettyjohn received the salesmanship awards.

We had a Christmas party in our room Dec. 21, 1955. Every one received many nice gifts and cards. Our room mothers Mrs. Ralph Crum and Mrs. Alfred Nelson Jr. gave us each a candy cane.

Now you Know!

The answer to everyday insurance problems*
By Turner Van Marter & Bryant

QUESTION: Is it true that an employer can be held liable for damage resulting from an employee driving his own car in the employer's business even if the employer doesn't know about it?

ANSWER: Yes—and even if the employer has expressly forbidden it. The best out for the employer is to make certain he has adequate limits of Non-ownership Liability insurance. The premium is small but the coverage is vitally important.

*If you'll address your own insurance questions to this office, we'll try to give you the correct answers and there will be no charge or obligation of any kind.
