

Monument Gets Heavy Snowfall

By Martha Matteson
Monument woke up Sunday morning to find over seven inches of snow on the level. It continued to snow a little until Monday noon.

The latest reports on measles tell of the following having the disease: the son of Mr. and Mrs.

Jack Forrest, Joe Wheeler of Cottonwood and Tony Hutchison's little girl.

Mrs. Nick Bonifacich of Fox and Mr. and Mrs. Ed Rounds have spent the past two weeks in John Day where they have been re-decorating the property the two sisters own.

Volleyball Tournament
The faculty, juniors, seniors, sophomores, and freshmen are having a volleyball tournament starting Monday. Today we drew names to see who we will play first.

Faculty Back To Normal
The lone faculty is back in full force, after a siege of mumps. Mrs. Hall, our first grade teacher and Mr. Peirce our 8th grade teacher, also grade sports teacher are back at the old grind of teaching, after being out two weeks, with the mumps.

Junior Class Meeting
The junior class has been having class meetings about the junior-senior banquet and prom. We are ready to send away for our decorations and other necessities.

School Scholarship Received
The school has received many different applications for college scholarships. Many of the students are trying out for them. Some of the colleges are Oregon State, University of Oregon, Oregon College of Education, Southern Oregon College of Education, Portland State, and La Vern College of California.

American Problems
The juniors and seniors are relieved now that the semester test is over with in American Problems. Over this last semester we have studied such problems as: Accent Disagreement, Choice-Making and Values, strengthening the family, minority and their rights, youth and crime, education, housing, accident and safety, local planning, social security, veterans' and veteran's benefits, trees and timber, soil and silt, oil, dams and regional planning.

the students that had permission from home a patch test.
A patch test is a test to determine whether or not the person has T. B. or if there is any trace of it in their body. The patch test was free. It was a piece of tape which had three different sections on it. The patch was put some place on your body and was left there for 48 hours.
