HEPPNER OREGON

A demonstration of the best known methods of hair and scalp treatments to be given to the citizens of our city.

WHAT IS YOUR REASON FOR BALDNESS?

ALL MERRILL CLIENTS IN THE VICINITY OF HEPPNER, OREGON, ARE INVITED TO APPEAR AT HEPPNER HOTEL, ON SUNDAY ONLY, MARCH 4, 12 NOON UNTIL 9 P. M. THESE PRIVATE INDIVIDUAL REEXAMINATIONS ARE FREE OF CHARGE AND ARE A PART OF THE ESTABLISHED SERVICE TO OUR CLIENTS.

Oklahoma City, Oklahoma, Feb. 10 in an interview here today, R. Blaine Dixon, international hair and scalp consultant and Director of Merrill Hair & Scalp Consultants, said: "There are many different scalp conditions that may cause men and women to lose their hair. Using common sense, a person must realize no one tonic or so called cure-all can correct all these different conditions," he explained.

READ WHAT A FEW OF THE MEMBERS OF THE AMERICAN HAIR AND SCALP ASSOCIATIONS, MANY SATISFIED CLIENTS HAVE SAID ABOUT THEIR HOME TREATMENT IN THEIR UNSOLICITED REPORTS; THERE ARE MANY MORE IN OUR FILES:

"My hair has grown very much, you can see new hair all over my scalp. The new hair looks lively and much better. I am well pleased with my hair, it looks so much better and much thicker and I thank you so much."

C. Burkett
Dothan, Alabama

I have been told that you can not grow hair on a bald scalp. Merrill is doing it! The treatment should go on the records as the greatest discovery of all times.

Ernest Johnson
567 Lynn Street
Fostoria, Ohio

"Since beginning my treatment my hair is softer, more manageable, and it is not breaking or coming out nearly so much. I notice a general appearance of new hair all over my scalp. I am very pleased with the treatment."

B. P. Brown
Alva, Oklahoma
Guaranteed

Not everyone can be helped by the Merrill Home Treatment. Only those we think we can help are accepted for treatment.

HOW'S YOUR HAIR

IF IT WORRIES YOU CALL OUR CONSULTANT, BENTON J. LIPSON AT THE HEPPNER HOTEL IN HEPPNER, ORE. ON SUNDAY ONLY, MARCH 4, 12 NOON UNTIL 9:00 P. M. THE PUBLIC IS INVITED. THE EXAMINATIONS ARE PRIVATE AND OPEN TO MEN AND WOMEN. YOU DO NOT NEED AN APPOINTMENT AND YOU WILL NOT BE EMBARRASSED OR OBLIGATED IN ANY WAY.

Those who are accepted for Merrill Home Treatment are given this guarantee: "If you are not completely satisfied at the end of thirty days, your money will be returned." This is only because most people are skeptical of claims that hair can grow on balding heads. Usually when a person avails himself of the Merrill treatment, his skepticism disappears.

No Cure All

"We have no cure-all for slick, shiny baldness," Dixon emphasizes. "If there is still fuzz, that hair follicle of the scalp is still producing hair. Merrill's users have grown hair. We have many reports testifying that after using our home treatment, weak fuzz has developed into healthy mature hair. Proper use of this home treatment may bring about a healthy scalp condition which will help the body to produce new hair. If there is any fuzz at all, a healthy scalp condition may be restored and the hair may grow normally again as nature intended. There is one thing Dixon wants to be certain every man and woman knows. If a recession appears at the temple or a spot begins to show up on the crown of the head, there is something wrong and it should be given immediate attention.

Free Examination

In addition to reexamining present clients, the Merrill method of home treatment will be demonstrated. The examination is very thoroughly and highly technical. It requires 20 to 30 minutes. The Consultant makes no charge for this examination and no appointment is necessary. After examining the person, he is told the required length of treatment and how much it will cost. Regular reports are made to the Merrill firm in Oklahoma City to check the progress of the home treatment.
