8 reasons why the 'Jeep' does more jobs... better!

WORLD'S MOST
USEFUL VEHICLE

Versatility. The Universal 'Jeep' spreads its cost over hundreds of jobs, on or off the road, in all kinds of weather.

Towing. With the extra traction of 4-wheel drive, and in "low-low" gear, the 'Jeep' has a rated 2317 pound draw-bar pull.

Selectivity. The 'Jeep' shifts easily from 2-wheel drive for normal highway driving into 4-wheel drive for tough going.

Power. With power take-off, the 'Jeep' supplies mobile power for many types of farm machinery and industrial equipment.

Traction. With the extra traction of its 4-wheel drive, the 'Jeep' climbs 60% grades, goes through mud, sand or soft earth.

Special jobs. With special equipment, the 'Jeep' does many specialized jobs, from trenching to materials-handling.

Transportation. The Universal 'Jeep' rides four or more adults, or carries ordinary loads up to a half-ton, on or off the road.

Economy. The Universal 'Jeep' saves you money with its low initial cost, low upkeep, high resale value and long life.
