Ford offers you
225 hp.

For Top Performance in your kind of driving!

Come in and we'll prove that you get more GO for your dough in a **Ford V-8**

You get horsepower that makes horse sense in Ford's new 225-h.p. V-8. The purpose of this new horsepower is more torque . . . more rotating power to turn the wheels of your car. With more torque you get greater response—quicker getaway, swifter passing power. You'll find it the silkiest, quietest, thrilling engine you ever commanded. You get top performance for your kind of driving!

This new 225-h.p. Thunderbird V-8 engine has a displacement of 312 cu. in.—which makes it the biggest engine by far in the low-price field. And it is available in all Fordomatic Fairlanes and Station Wagons, at slight extra cost.

Equally important, these new 225-h.p. engines are rolling off of Ford's production line now. So plan to see your Ford Dealer soon. He'll be glad to show you why you get more GO for your dough in a Ford V-8!
