YOU'LL GET A REAL BOOT OUT OF THIS BEAUTY

(Just switch the pitch and see)

WE'll grant that you'll get a kick from just looking at a new Buick—it's that kind of automobile.

But you'll have to take the wheel, turn the key and press that pedal before you get any idea what this sizzler on wheels can do to your spirits and well-being.

It will take you only a handful of happy minutes to get the idea.

Just nudge the pedal—no more than a gas-saving inch—and you'll feel the instant new getaway that's yours with the new Variable Pitch Dynaflo* even before you switch the pitch.

Just find a spot where you can safely and legally call out the reserves—then floor the pedal. That switches the pitch *instantly*—and in the same split-second you're at full-power acceleration and sweeping ahead like you never did before in any other earth-bound vehicle.

And all the while, just lend an attentive ear to the whispered might of that big 322-cubic-inch V8 that powers this spectacular performance. For that's the smoothest, the quietest and the highest-powered engine, Series for Series, in all Buick history.

There's more, of course, to make the thrills come thick and fast when you're bossing the best Buick yet.

There's the deep, soft comfort of big interiors—and the sweet and solid steadiness of that great Buick ride.

There's the grace of line you can see stretching before you—and the sure and nimble way this beauty handles and corners and tracks and targets to the road.

So come be our guest at the wheel of a spanking-new Buick—just for fun and kicks and a new excitement. And if you feel this is the car for you, we'll show you prices and a deal that say it's yours for sure. Drop in today or tomorrow, won't you?

*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.
