By Delpha Jones

The women's organization of the church met at the church on Tuesday afternoon. The meeting was called to order by the temporary chairman Mrs. Karl Miller. At this time the by-laws were read, and the officers that had been nominated were read and elected by acclamation. The officers are: president, Mrs. Harry Dinges of Heppner; vice pres., Mrs. George Irvin; sec-treas., Delpha Jones; and program chairman, Mrs. Harold Beach. Several names for this society were reported with the matter being tabled until next meeting when it is hoped there will be other names suggested.

A nursery for preschool children was discussed and it was decided to try and start one about May 1. All mothers having small children will be asked to take their turn in the nursery assisted by high school and junior high school girls. A committee was appointed to work on improving the church grounds, this committee being Laverne Henderson, Faye Munkers and Delpha Jones. The by-laws were read and accepted at this time. Refreshments were served by the hospitality committee Mrs. Bill Nichols and Mrs. George Irvin. Those present at this meeting were Berly Northrup, LaVerne Henderson, Faye Munkers, Marjorie Beach, Joan Smith, Cora Allyn, Lola Breeding, Florence McMillan, Dona Barnett, Edith Miller, Jo Irvin, Margaret Nic-

Another tie was recorded in the girls softball tournament. This time it was between Boulden's Bulldogs, and the sixth grade team. The score was 11-11.

Condon topped the heap 7-0, when the Heppner baseball team tangled with them April 20. No grade school games are scheduled this week.

Five schools participated in the county spelling meet held on April 20 at Boardman. Heppner returned with two firsts, a second, and a third. There were Carol Anderson and Jeanne Schmidt, first; Nancy Moyer, second; and Connie Anderson, third.

Instead of the traditional grade school annual being published this year, the next issue of the Heppner will be dedicated to the eighth grade. Mrs. Blanche Boulden, paper advisor, revealed that the paper, which will come out next week, will have the class motto, choice of flower, color, will, and other information that is usually put into an annual.

The new plan was adopted because it was felt that the year book was much too expensive and required more work than was advisable for grade school students.

### THE TRAILBLAZERS

The Heppner Trailblazers have spent most of their time at recent meetings getting ready for the field day events to be held on the campus of Walla Walla College at College Place, Wash., April 29. The Pathfinder groups of this district will compete in a number of events such as water-bolling, fire building, knot-tying, etc.

Sunday, April 15 we met at Mrs. Wagner's and went through several of our contest events. Last Sunday, we went out to our mountain ranch and practiced some more. We had better luck building our fires with pitch and wood around. We also got in some playground horse-back riding.

We have been having a candy sale which will last through next week. The money is to go for our summer camp and club activities. We are very thankful for the generous way the people have helped us in the sale.

D. A. Short, your Telephone Manager for Heppner

### Special schools for telephone people

The young lady at right is putting in her first day with the telephone company. Actually, she's in school, training at a practice switchboard to be an operator. In the same way, lots of other people with no telephone experience have become skilled in telephone work. We run many different schools for our employees, to train them as linemen, service representatives, and so on. This special schooling helps telephone people build better careers for themselves. And it also means your service is always in the hands of well-trained people. The men and women of Pacific Telephone work to make your telephone more useful every day.

### How to make every day Mother's Day

Here's a wonderful way to make Mother's Day last the whole year around. Just call your telephone business office and order an extension telephone for the kitchen, bedroom, living room—any room Mother uses a lot. We'll deliver it whenever you wish,

so Mom can open it Sunday, May 13, and have a present that will make her life easier every day of the year. Remember, you have a choice of eight full colors—red, ivory, brown, green, blue, beige, yellow or gray—as well as "two-tone" combinations. And, after a single installation charge, you pay only \$1.25 a month for each extension.

### Easy way to solve a puzzle

Is that phone number 2-8602 ... or 2-8620? Most of us have had experiences like this ... when a phone number got twisted around in our memories. Know the easy way out? Instead of guessing at the answer, just look it up in your telephone book. You'll be sure to get the right number, and you'll save yourself time and trouble. Pacific Telephone.
