For instance, graduations, since most families have someone graduating from something. So, here's a suggestion for refreshments that'll delight graduates of all ages: a spread of pretty cream cheese sandwiches and a tall pitcher of richly delicious milk shake, made with milk and the convenient new milk-shake mix.

Chocolate Milk Shake 2 cups cold milk 2 ice cubes (optional) 2 tablespoons sugar 1 package Chocolate Kool Shake Pour milk into a shaker or quart jar. (If milk is not cold, add ice cubes.) Add sugar, then milk-shake mix. Shake vigorously for 15 to 20 seconds. Serve at once. Makes 2 tall glasses.

INCOME TAX YIELDS

Tax Commissioner Ray Smith who heads the income tax department and has always been an astonishingly accurate prognosticator of income tax returns, estimates there will be a surplus of over \$20,000,000 at the end of the 1955-57 biennium, and \$15,000,000 June 30. It will require another three weeks to get accurate figures for the latter total.

The 1955 legislature lowered the exemptions from \$600 to \$500, put on a 45 per cent surtax (a tax upon a tax) and raised withholdings from 1 to 2 per cent.

BUS FARES BOOSTED

Public Utilities Commissioner Charles H. Heltzel had issued an order permitting Pacific Greyhound and Trailways bus lines to increase their passenger fares in Oregon by 15 per cent.

The order which will be effective shortly after July 10 also permits an increase in the minimum fare from 15 to 20 cents.

Greyhound has a petition before the Interstate Commerce Commission to increase interstate fares 6 per cent.

TIMBER WORK SAGS

The State Unemployment Compensation Commission reported this week that lumber and logging employment fell below last year's figures during the month of June.

Oregon's non-farm jobs in May showed an increase of 1.8 per cent and in August and September is expected to exceed 2 per cent.

State insured unemployment was down to 6,578 claims in May, the lowest figure since August 1955.

MORE CAPITOL PARKING

Parking space around the Capitol and state buildings in Salem should be easier to find within a few weeks.

Some of the residences on property bought by the state for future extension of the Capitol Mall are being removed to get parking room for state workers and afford parking for state "customers."

The large rooms in the residences are being used to relieve crowded periods at the Capitol during legislature, interim committee meetings, voters pamphlet mailing and other emergencies.

The clearing and surface work is being done by the City of Salem and some city property is being loaned to the state. City Engineer H. L. Davis says surfacing under construction will be complete within ten days and those having business to do in state buildings should find ample parking.

Dr. and Mrs. E. K. Schaffitz and Diane and Jimmy were Sunday guests at the home of Mr. and Mrs. F. McClintock in Cecil.
