Salad Designed For The Time

Boost your meal planning reputation during the warmer season with intriguing salads. Deviled Ham Delight is a good beginning. It's a superior molded salad, delicate yet flavorful and hardy enough for the menfolk. Serve as salad or for a cold plate meal.

Serve the mold on a large platter and surround it with crisp greens and bundles of canned asparagus or whole green beans, garnished with mayonnaise and pimiento strips. 'Tis a pretty platter and an extra good choice for luncheons or buffet suppers.

Deviled Ham Delight

- | | |
|---|------------------------------------|
| 1 envelope unflavored gelatine | 2 small or 1 large can deviled ham |
| 1/4 cup cold water | 1/2 teaspoon onion salt |
| 1 can (12 oz.) vegetable juice cocktail | 1/2 teaspoon prepared horseradish |
| 1/4 cup mayonnaise | 1/4 cup chopped celery |
| | 1/4 cup chopped ripe olives |

Soften gelatine in cold water; add hot vegetable juice cocktail and stir until dissolved. Chill until slightly thickened and beat with rotary beater until fluffy. Fold in rest of ingredients. Pour into mold and chill until firm. Four servings.

What's New in Getaway?

Try a '56 Buick and See!

Buick Super 6-Passenger 4-Door Riviera

You've probably heard us say a lot, recently, about the 1956 Buick's new Variable Pitch Dynaflo.*

And maybe you've wondered just what that "new" means.

Well, it means a brand-new principle in transmission design. A new way to make whirling oil add to its own velocity and produce fast torque build-up at only part throttle.

What does it do for you?

It gives you a quick new getaway response right in the first inch of pedal travel—right where you do most of your normal driving—and right where you get better gas mileage every inch of the way.

It gives you more safety-surge breakaway when you floor the pedal and switch the pitch—more electrifying full-power acceleration to pull out of a tight spot.

And it gives you all this with absolute smoothness—because no gears ever shift in Dynaflo.

But if you think this great new getaway is

the only reason for Buick's strong position in the Top 3 of America's best sellers—listen:

In every 1956 Buick there's newness from end to end.

New 322-cubic-inch V8 engines. New brakes, new frame, new rear end. A new deep-oil cushioned ride. New handling ease, new quiet, new comfort. New interlocking safety door latches. New Safety-Aim headlamps. New styling and beauty inside and out.

What it all adds up to is the Best Buick Yet, by far. And you'll find all these new thrills packaged in a price that makes any '56 Buick you choose your smartest buy yet. Can you come in this week?

*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

AIRCONDITIONING at a COOL NEW LOW PRICE

It cools, filters, dehumidifies.
