AUTOMATION IS THE WORD FOR IT

Amazing new "electronic brain" makes calculations in seconds that would take hundreds of man-hours to complete.

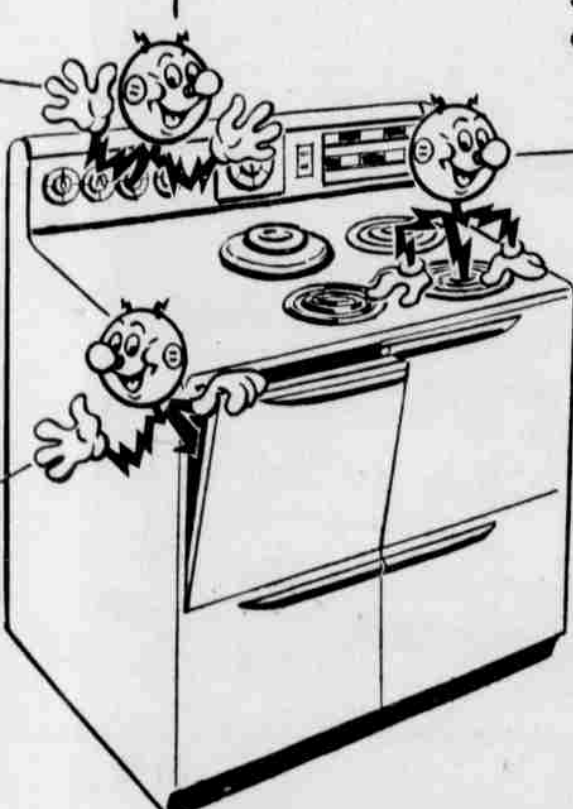

"AUTOMATION"

NO WAITING!

New electric ranges are faster than ever—clean, efficient burners respond *right now!* Add faster cooking and better cooking control to the many other joys of modern electric cooking.

FOR YOUR KITCHEN, TOO, WITH A MODERN, NEW ELECTRIC RANGE

MORE TIME FOR LIVING when you install a new, fully-automatic electric range...cooks automatically, cooks clean, cooks cool!

NO PEEKING!

With automatic time and temperature controls, there's no need to keep an eye on your oven. Just prepare the food, set the controls and forget it until meal time.

AND EVERYTHING TASTES SO GOOD! Food comes from your electric range with that wonderful done-clear-through taste and texture. Uniform heat and exact temperature control cook meals just the way you like them.

And, of course, electric cooking costs so little with dependable, economical service from Pacific Power & Light. Just pennies a day is all you pay for cooking the electric way. See the many makes and models of beautiful, fully-automatic electric ranges at your appliance dealer's.

(Ask about our *Time-to-Repair Plan*—the easy-pay way to modernize the wiring in your home.)
