

### Wallowa Dumps Heppner 33 to 7; Hermiston Next

Heppners Mustangs bowed before a strong Wallowa high school team Friday night in their first game of the 1956 football season, but the last half coach Jim Mallon's squad was showing marked improvement over their play in the opening quarters.

Though the score was 33 to 7 for the Wallowa squad the first three touchdowns were practically handed to the visitors when Mustang backfield men had trouble holding on to the ball. During the last two quarters the boys settled down to a more even brand of ball and put up a good battle which resulted in one long touchdown run of 53 yards by Heppner's Dick Ruhl. In total yardage gained the Mustangs were nearly equal with wallowa, but as the scoreboard showed, the game was won by points and not yardage.

Outstanding player was Wallowa's fast back Amos Marsh. Mallon said this week that his squad is showing continued improvement in workout sessions and expects to show the Hermiston JV's a hot time Friday night on the local field in the second game of the season. Game time is 8 p. m.

### Justice And Municipal Courts

### Sunflower Contest Rules Announced

Rules for the sunflower contest which will be held as a part of the lone Garden club flower show on Sept. 23, have been released this week.

They are: 1—grow seeds given by the Garden club. 2—Must be planted and cared for by child receiving seed. 3—One stalk must be exhibited in the fall flower show scheduled for Sunday, Sept. 23. Entries will be received from 4 to 5:30 p. m. Sept. 22 and from 8 to 10:30 a. m. Sunday, Sept. 23. 4—Judging will be based on size, color, stem, and leaves. Points to be considered are: tall; stiff stem; bright, clear color and freshness.

Prizes will go to contestants by rooms in which they are enrolled as of April 1956. Appropriate garden prizes will be given to second and third place winners in each division. Ribbons will be given to second and third place winners. The divisions are: preschool and first grade; second and third grades; fourth and fifth; sixth and seventh grades.

Directions for exhibiting are: pick out best plant of the five grown from seed given by the garden club, cut evening before show. Only one stalk to a contestant, cut stalk at angle with stem not to exceed five feet and put in container of water immediately.

The contest committee includes Mrs. Monetta Aldrich, Mrs. Phil Emert and Mrs. Fredrick Martin.

### GUESTS OF McDANIELS

Mr. and Mrs. John Bergstrom and daughter, Mr. and Mrs. Clive Huston, Mr. and Mrs. Frank Parker, Mr. and Mrs. Ben Anderson, Mr. and Mrs. R. D. Allstott of Hermiston, all spent Sunday, September 2 at the Bull Prairie guard station with Mr. and Mrs. Sam McDaniel, Jr.

### Sam Coon Opens County Campaign

Congressman Sam Coon centered his campaign activities on Morrow county last Thursday in his bid for reelection to a third term as representative of the 2nd Congressional district.

The lawmaker spent most of the day meeting constituents in Lexington, Ione and Heppner, and also spoke at a meeting of the Soroptimist club in Heppner on Thursday noon.

Arrangements for his visit were handled by Don Hatfield, chairman of the Morrow county Republican central committee.

Coon refuted Democrat charges that the Republicans have not helped the rural electrification program in his Soroptimist address.

"Our party not only has kept this worthy program going", he said, "but it also has added many millions of dollars for new loans over what was provided in the last two Truman years."

He said that in fiscal 1954 and 1955, when the Republicans had control of Congress, over twice as much was made available for REA loans as in the previous two years.

"I was on the appropriations committee of the House both of those years," he said, "and voted for the needed increases."

"I think it's about time our opponents stopped talking in generalities and paid a little more attention to the facts," he added.

The Congressman praised the Columbia Basin Electric co-operative which serves much of this area. He said that such REA systems throughout the country have brought electricity to a large percentage of the nation's farms.

"The standard of living of our farm population has been raised a great deal by this program," he said.

Coon also congratulated Patricia Wright of Heppner for having been selected Queen of the recent rodeo. He recalled having had lunch with her in the nation's capitol when she and three other Oregon youths were 4-H delegates last spring.

### Farm Income Move Up OSC Economist Says

Farm incomes are moving up to share in the nation's general economic prosperity for the first time in several years, reports M. D. Thomas, Oregon State college agricultural extension economist. The trend is based on the first six months of this year.

Another signpost in the nation's economy is increased spending for such non-durable goods as food, clothing, and recreation. At the same time, the average rate of savings is the highest in two years.

The total consumer debt increased only 900 million dollars during the first half of 1956 compared to more than 2 billion dollars for the same period in 1955.

The big boost to the nation's economic activity so far in 1956, says Thomas, has been at least 25 percent increased spending by businessmen for new plants, stores, and other facilities and equipment used to produce and distribute goods.

Sooner or later, Thomas says, these favorable trends will effect prices and incomes of Oregon farmers.

Charles Duncan, dean of the school of journalism at the University of Oregon and Carl Webb, secretary of the Oregon Newspaper Publishers Association, visited at the Gazette Times on Wednesday.

Mr. and Mrs. Joe Mahon, Jr. and family of Elgin spent last weekend with relatives in Hardman and Heppner. Tommie Mahon returned home with his parents after spending a month with his grandparents, Mr. and Mrs. Sam McDaniel.

Mr. and Mrs. Robert Penland were in Portland Monday to attend the funeral of his uncle, Harvey R. Scott.

### Two Named Hereford Association Members

Kansas City, Mo. — Merlin Hughes, and Gary Van Blokland, both of Heppner, today were named to jury membership in the American Hereford Association, the world's largest purebred registry organization, with headquarters in Kansas City, Mo.

778 junior Hereford breeders were placed on the association's official roster during the last six months. The association maintains active accounts for more than 80,000 breeders of registered Herefords over the nation. An average of more than five new life memberships in the association were issued each working day last year.

The Hereford Association during the last fiscal year recorded 522,639 purebred calves. The year's total recordings were the third highest on record, and more than twice the combined registrations of other major beef breeds.

### Local News In Brief
