

Ione Auxiliary Hears Report On Girls' State

By Echo Palmateer
Sue Coleman gave a very interesting report on Girl's State at the American Legion Auxiliary meeting at their hall Tuesday evening Sept. 18. Sue was a delegate to Girl's State in Salem in June. She told of their study of the government and was a senator at the meeting. Mrs. C. E. Brenner, Girl's State chairman for this year, read an article on Girl's State. The qualifications are they must be a junior in the high school, and have leadership, co-operativeness, honesty, courage, physical fitness, scholarship and character. The junior girls were guests of the unit.

Those present were, Mardine Baker, Ann Belle Coleman, Kay Sherer and Billie Seehafer. The other juniors are Louise Botts, Grace McCabe, and Bonnie Crum. For the program Arleta McCabe played a piano solo.

At the meeting conducted by Mrs. Victor Rietmann, president, a letter was read urging the people in the community to attend Know Your Library Week at the public library October 1 to 4. A silver tea will be held Oct. 4 from 2 to 5 p. m. at the library. Games were played after the meeting and those receiving prizes were Ann Belle Coleman, Billie Seehafer and Mrs. Echo Palmateer. Refreshments were served by Mrs. Eldon Padberg, Mrs. Ernest McCabe and Mrs. Pete Cannon. A bridal shower was given in honor of Mrs. Richard Rea at the school cafeteria Saturday afternoon Sept. 22. She received many lovely and useful gifts. The gift table was decorated with a doll bride as a centerpiece. The hos-

esses assisted her with the gifts. They were Mrs. Robert Peterson, Judy Howton, Sue Coleman, Julie Rietmann and Sharon Cutsforth. Refreshments were served from a table with pink candles and fall flowers. Mrs. Lewis Halvorsen presided at the punch bowl and Mrs. Clell Rea poured the coffee. Mrs. Omar Rietmann received the door prize.

Mr. and Mrs. Gordon White returned from Los Angeles last week.

The Altar Society met at the St. Williams church Thursday evening of last week. After the business meeting refreshments were served by Mrs. Donald McElligott.

The Amica Club met at the home of Mrs. Arthur Stefani Jr. Wednesday afternoon Sept. 19 with Mrs. Delmer Crawford as co-hostess. Games were played after the business meeting. Mrs. John Proudfoot received the door prize. George Ely left last week for Salem where he will make his home.

OES District Meeting

The Eastern Star held their district meeting at the Masonic hall Thursday evening Sept. 20. Among the guests present were Mrs. Bertha Burton of Portland, Worthy Grand Matron of Oregon; Mrs. Juanita Carmichael grand Organist of Oregon; Mrs. Mary Lindsay, grand representative of Illinois in Oregon; Mrs. Melba Quackenbush, worthy matron, and Paul Jones, worthy patron, both of Heppner and the Heppner officers. A banquet was served to them and the Ione chapter officers at the Legion hall before the meeting. The banquet was

served by members of the American Legion Auxiliary.

Miss Lois Maye Howk, daughter of Mrs. J. W. Howk of Troutdale, and William Carlyle Moller, son of John Moller of Gresham, were married at the Smith Memorial Community church at Fairview Saturday at 8 p. m. Sept. 22. Mrs. Dwight Haugen was matron of honor and Gary Moller, his brother best man. A reception was held after the ceremony at the Troutdale Presbyterian community church. Mrs. Fannie Griffith, poured, Mrs. Roy Lindstrom cut the wedding cake and Susan Lindstrom passed the grooms cake. Those attending the wedding from here were Mrs. Fannie Griffith, Mr. and Mrs. Roy Lindstrom and children, Stephen and Susan, Mr. and Mrs. George Griffith and daughter, Charlotte Rose, Mr. and Mrs. Charles O'Connor and daughters, Marjorie and Terry and Miss Ruby Ann Rietmann.

Dates to remember:

Sept. 28—Three Links club at the home of Mrs. David Rietmann in the afternoon.

Sept. 30—Promotion Day at the Ione Community church Sunday school at 10 a. m.

October 1—through 4 Know Your Library Week at the public library ending Oct. 4 with a silver tea 2 to 5 p. m. Everyone welcome.

Congressman SAM COON

Says:

The small farmer of Oregon deserves a better break. He gets little help from rigid price supports, because only two of the six so-called "basic" crops are grown in this state. The other four—tobacco, peanuts, cotton and rice—are raised almost exclusively in the South. The only explanation for this is "politics." I want to see a farm program designed to help the small farmer, not the politician. When the farmer prospers, we all prosper.

Reelect
SAM COON
To Congress

Pd. for by Coon for Congress Club; L. Neault, chairman.

THIS IS WHERE TOMORROW STARTS

A new "inner car" gives you
a NEW KIND of FORD
for 1957! **Coming October 3rd.**

On Wednesday, October 3rd, Ford Dealers throughout the United States will unveil a new kind of automobile!

Cars are involved in every American's life. News of a new kind of car is the biggest kind of news to millions of Americans.

The Big New Kind of Ford is that kind of news . . . a car totally new in design from crest to trunk lock.

This completely new automotive package will sell at the traditionally low Ford prices.

This makes possible a new high standard of such honest-to-goodness value that it actually increases the purchasing power of your automobile dollar.

When you see it, other cars will look out of date, because . . .

This is Where Tomorrow Starts . . . with a Big New Kind of Ford!

The New Kind of Ford is the fullest, most eloquent expression of Ford's special personality—the youthful grace, the whiplash action—and the reputation for durability known wherever there's a road.

To all this we have added true elegance—a kind of elegance never before seen in the low-price field. To make a car truly elegant, you must start deep-down inside.

The New Inner Ford

The Inner Ford—the car you cannot see—is a very remarkable structure. Its frame is actually a cradle. Side members extend almost the full body width; they serve not only as supporting members but as concealed side bumpers of immense strength.

The New Ford Body

The new Ford body is a triumph of engineering in steel. The doors close with the solid finality of a bank vault. Even the door-lock button has been moved up front—easier for you to reach, but out of the children's reach.

All these features were engineered to give you a solid new kind of comfort.

The New Ford Ride

The New Kind of Ford sits six people as no other low-priced car has ever sat them

—six elbows wide in each seat, with deep space around each one of six knees. And above all that space, there's hat room to spare for all six passengers.

The 1957 Ford rides low, solid, with a firm, deep road-holding feel. Yet it's a light-hearted, flight-hearted ride—this car is responsive, nimble, agile, with a proud easy movement.

The New Ford Choice

Ford offers not only one, but two sizes of cars . . . each on its own extended wheelbase . . . each with its own body shell . . . each with its own styling.

First, the two Fairlane Series on a 118-inch wheelbase. The Fairlane 500's come in 5 body types, a four-door sedan, a two-door sedan, a two- and four-door Victoria with no center pillars, and a convertible coupe. The same body types (except for the convertible) are available in the Fairlane Series.

Second, two Custom Series mounted on the 116-inch wheelbase chassis. In the Custom 300 Series, a four-door and a two-door sedan are distinguished from the Custom models by more luxurious inte-

riors and elaborate trim. The Custom Series also includes a Business Sedan.

Beyond all these, you also have your choice of five Station Wagons—the famous glamour cruisers that are the champions in this field!

The New Ford Look

That low, low cradle-span frame means a low, low car. The Fairlane 500 is only four feet eight inches from road to roof! The Custom is just over four feet nine inches!

The new Ford is not only low—but long. Ford gives you more than 17 feet of elegant length in the Fairlane Series, a shade less in the Custom. It's a nice kind of fun just to look at it. It's high-priced in every way except price.

The New Ford Performance

You can have up to 245 wonderful Thunderbird horsepower in any Ford model. There's a moderate—and really moderate—extra charge for this engine of 312 cubic inches with its 4-barrel carburetor.

For "Six" lovers, we've got the 144-hp Mileage Maker Six. Whether you choose Six or V-8, the going is great!

Here is where

your own tomorrow starts

It starts at your Ford Dealer's showroom!

The cars will be there on Wednesday, October 3.

These are the best Fords of our lives.

They are the first symbols out of Detroit of the new automotive age that is beginning for you.

This is where tomorrow starts—at your Ford Dealer's.

This is when your tomorrow starts—October 3rd.

Come in and see us for the Big New Kind of Ford!
