NOTICE OF FINAL ACCOUNT

Notice is hereby given that the undersigned Edmund W. Bristow, Executor and Lucile R. Rietmann, Executrix of the estate of Lillian E. Bristow, deceased, have filed their final account of their administration of said estate with the County Court of the State of Oregon for Morrow County and said court fixed Monday the 5th day of November, 1956 at the hour of 10 o'clock in the forenoon of said day in the County Court room at the Court House at Hepner, Oregon as the time and place for hearing objections to said final account and the settlement of said estate and all persons having objections thereto are hereby required to file the same with said court on or before the time fixed for said hearing.

Dated and first published this 4th day of October, 1956.

EDMUND W. BRISTOW, Executor LUCILE R. RIETMANN, Executrix

Jos. J. Nys Attorney for Executor and Executrix. 30-34c

Public notice is hereby given that application has been filed under the Federal Power Act (16 U. S. C. 791a-825r) by Public Utility District No. 1 of Klickitat County, Washington, of Goldendale, Washington, for preliminary permit for proposed water power Project No. 2218, known as the John Day Project, to be located on the Columbia River in the region of Boardman, Castle Rock, Irrigon, Arlington, and Umatilla, Oregon, and Alderdale, Roosevelt, Luzon, Plymouth, and Patterson, Washington, and in Gilliam and Morrow Counties, Oregon, and Klickitat and Benton Counties, Washington, affecting United States Government lands and navigable waters of the United States. The proposed project would comprise a concrete gravity dam having a gated spillway section, 1,310 feet long, an intake and powerhouse section 1,298 feet long, and several connecting non-overflow gravity sections aggregating 1,192 feet in length, creating a reservoir with normal pool at elevation 255 feet extending 75 miles upstream to McNary Dam; a navigation lock; fishways; a powerhouse with initial installation of 13 units, each turbine rated at 134,000 horsepower and direct connected to a generator rated at 85,000 kilowatts at 93 feet rated head and provisions for expansion of the powerhouse for ultimate installation of 18 units; and appurtenant facilities. The power generated would be used to serve the applicant's customers and to meet the requirements of an expected industrial growth. The preliminary permit, if issued, shall be for the sole purpose of maintaining priority of application for a license under the terms of the Federal Power Act for the proposed project. Protests or petitions to intervene may be filed with the Federal Power Commission, Washington 25, D. C., in accordance with the Rules of Practice and Procedure of the Commission (18 CFR 1.8 or 1.10). The last day upon which protests or petitions may be filed is November 8, 1956. The application is on file with the Commission for public inspection. Leon M. Fuquay, Secretary. 30-33c
