# By His Own Admission -- WAYNE MORSE IS INEFFECTIVE In The Senate

## WAYNE MORSE SAID—

While speaking before the House Judiciary committee, May 16, 1955

"Well, I got 31. That is pretty good for me. When I get 31 votes in the Senate on something, I have had a heyday . . ."

# Why

SHOULD THE PEOPLE OF OREGON SEND A MAN BACK TO THE SENATE WHO ADMITS HE CAN'T ACCOMPLISH ANYTHING FOR THE STATE?

# you can Count on DOUG McKAY To Represent YOU!

HE SAYS:----

"I believe a senator should represent the people that elected him—what they think and what they believe is the best for our country. My opponent says "if I knew every man and woman in Oregon was for this bill, I would vote against it". Do you want a Senator that represents YOU or a man who doesn't care about your opinions on peace and war, taxes and our freedom."—Doug McKay
