## What puts the Mark of Tomorrow in the new kind of FORD?

Here's what puts the  
Mark of Tomorrow in the new kind of Ford!

It's the sculptured look. You'll see it the moment your eyes wander over this fine car. In a '57 Ford you belong . . . anywhere.

It's the long, lean lines. There's a greyhound grace to this Ford. No useless "fat," no showy "padding." It's as trim as a jet fighter.

It's the hardtop styling. Fairlane sedans have the hardtop look of Victorias! Superthin, superstrong center pillars are smartly concealed to give hardtop beauty when doors are closed.

It's the freedom of choice. Colors? Fabrics? Accessories? Far more than that! Ford gives you a choice of two new, bigger sizes . . . longer, lower, roomier!

It's the ride that stays gentle. With a new frame that rides sweeter and lower, new springs, new suspension all around, even the roughest roads can't ruffle the poise of the new Ford.

It's the Thunderbird power. Ford celebrates its Silver Anniversary of V-8 leadership with the biggest selection of V-8's in Ford history.\* In addition to all this Thunderbird GO, there's a new and more powerful Mileage Maker Six.

Just looking at this Fairlane Club Sedan is a special kind of fun!

It's the record-breaking performance. On the Salt Flats at Bonneville, Utah, a '57 Ford traveled 50,000 miles in less than 20 days . . . an average speed of 108.16 mph, including all pit stops! Another Ford averaged over 107 mph. Altogether, 458 national and international performance records were smashed as Ford rewrote the record book.

It's the big dollar value that lasts and lasts. Styled for tomorrow, a new Ford keeps its value longer. And wonder of wonders, all this extra strength, extra beauty, extra length is yours at low Ford prices!

\*Included is a special 270-hp Thunderbird 312 Super V-8 engine available at extra cost. Also, an extra-high-performance Thunderbird 312 Super V-8 delivering up to 266 hp!

Wise man say: "Don't wait for TOMORROW

when you can get it today!"
