Building for Better Living—Electrically

More and more modern families rely on low-cost, work-saving electric appliances. To serve the growing needs of Pacific Powerland, PP&L will spend \$157,000,000 on new power development during the next five years.

Washday is a breeze

With a Modern, Automatic Electric Clothes Dryer

Warm as a summer breeze, clean and fresh as the morning sun...that's the controlled drying action of a new electric clothes dryer. You get the whitest, cleanest, fluffiest wash you can imagine. Your clothes last longer, too. Electric drying action is gentle enough for even your finest fabrics.

See the newest in automatic electric dryers at your dealer's. You'll be delighted with the modern better-living features, the low

prices and the convenient terms. Modern electric dryers are simple to install and, of course, economical to operate with Pacific Power's low-cost electric service.

TIME-TO-REWIRE — Remember, if you're a PP&L customer, Pacific Power will finance any additional wiring your home needs. Nothing down, as little as three dollars a month, with your low monthly electric bill.
