FIVE NEW FORD glamour wagons

long, low and loaded with Go!

Leave it to the station wagon leader to make the big station wagon news for '57! And what news! Wagons so big, so full of fine-car prestige that you'll wonder how it can be done at low Ford prices.

Under the front-hinged hood you'll find new power—Six power!—V-8 power!—proved-in-action power.

Inside you'll find more usable loadspace. And the wrap-around liftgate gives you greater loading ease.

If your choice is the 9-passenger Country Squire, you'll be proud to pull up at the finest places in this new glamour wagon with its smartly distinctive wood-like trim.

If your needs call for a 6-passenger station wagon with four doors, you'll love the new Country Sedan. When you fold the rear seat into the floor, you'll find there's almost nine feet of loadspace—nearly a foot more than ever before.

There's still another 4-door Country Sedan. It has the extra third seat for 9-passenger room. And, as in all Ford wagons for '57, you have the new single-control handle which opens both the wrap-around liftgate and tailgate with one motion. And they can't be opened from inside!

There's good news, too, for fans of Ford's celebrated Ranch Wagon.

This 6-passenger, 2-door model features Ford's new subdued tones, the last word in modern decor. And when it comes to quiet, there's no wagon like Ford wagons!

In the wonderful way that Ford can take a fine thing and make it even finer, the Del Rio Ranch Wagon goes a step beyond the Ranch Wagon in style, fabrics and trim. It brings you 2-door, 6-passenger wagon-life at its best.

Better see for yourself—and soon. Take a Ford wagon for a spin. You'll agree that for styling it's a sweetheart... for work and power, it's a nimble, obedient slave!

New '57 Fords have toughest shakedown cruise in history!
The '57 Ford broke 458 national and international records from 1 kilometer to 50,000 miles at Bonneville, Utah, in the most savage test in automotive history. For 50,000 miles, two '57 Fords averaged over 107 and 108 m.p.h. respectively. This time included all pit stops... the greatest endurance feat of all time!
