They show you why the new kind of Ford is worth more when you buy it, worth more when you sell it!

The secret of Ford's nationwide success is this: it's a new kind of Ford... new from the wheels up... more than a last year's model with a few "face lift" changes. In a Ford the chassis, engine and body are individually engineered into one spacious, rock-solid unit. That's why, when you examine the new Inner Ford, you find a car that's new... clear through!
If you're a careful car-buyer with whom features count, count the new features of the '57 Ford. Then drive it! There's only one conclusion: the loveliest, liveliest car in the low-price field is the completely new Ford. For the decisive facts, see your Ford Dealer.
