# Why You Save Time and Money

When You Use

- 1--82% Guaranteed Nitrogen material means longer ap- plication without refilling. 20 Pounds of nitrogen per acre about 5 hours running time or approximately 70 acres per tank.
- 2--Fine Equipment in best repair possible means less down time.
- 3--36 foot applicators-easy to pull.
- 4--Material weights 5.4 pounds per gallon-you are hauling a lighter load all of the time.
- 5--Less trips in and out of the field means less rutting of field.
- 6--New spacing of shanks for side dressing your wheat means more wheat undisturbed, less ground disturbed.
- 7--Experienced held in the field-23 years of Shell experience behind us. NH3, still the cheapest and the best!
