Most valuable player offers valuable advice about Savings Bonds!

Mickey Mantle's big bat won him the American League's Triple Batting Crown last year and unani- mous choice by the nation's sports writ- ers as his league's most valuable player.

This young Oklaho- man figures to have many more great years in the majors,

but already he's looking beyond his playing days, planning for his family's future with regu- lar savings.

Mickey says, "From personal experience, I know that the guy who comes through regu- larly means the most to himself and his team. I've learned the same lesson about savings. Buying U. S. Bonds regularly helps win the game of security."

"Millions of sports fans can be star players in the game of security by joining and staying on Payroll Savings where they work."

Good advice for the long haul from a long ball hitter.

For most of us, Payroll Savings offer the easiest, surest way to save. And the time to start is now. All you do is sign the application form in the payroll office where you work. Select the amount to be set aside for your Bonds each pay- day. Then your saving is done for you. And each time you've accumulated enough, a Bond is pur- chased in your name.

You keep adding to your Bonds through Pay- roll Savings and your Bonds keep earning in- terest for you. It's a sure way to make a little deduction add up to a lot of security.

So don't put off saving another day. Sign up for Payroll Savings where you work—today. Or start buying Bonds regularly where you bank.

Part of Every American's Savings Belongs in U. S. Savings Bonds.

The U. S. Government does not pay for this advertisement. The Treasury Department thanks for their patriotic donation, the Advertising Council and
