WHAT'S DOING

D. A. Short, your Telephone Manager for Heppner

\$50.00 — That's your lifetime charge for telephone repairs. Your phone is sturdily built . . . to serve you reliably. So it's possible you've never given a thought to repairs. But whenever the need arises, we'll fix it for you — at no extra charge. Your phone carries a guarantee that never runs out! This guarantee means service that's always dependable.

Useful is the word for this "Jeep Trencher." Maybe you've noticed one like it. It's a tough little ditch digger on a "jeep." We use it to scoop out a narrow trench for underground cables. It's economical and can be put to work on almost any kind of terrain. And you should see how fast it digs! Modern equipment like this helps us bring better service to more people.

More and more people are discovering the step-saving advantages of additional phones in each of the rooms they use a lot. A perfect gift for Mother's Day — Sunday, May 12 — is a phone in Mom's favorite work or leisure spot. In her favorite color, too! Choose from eight decorator shades. Cost, after a single installation charge: just \$1.25 a month. Pacific Telephone.

HE'S WORKING TO BRING YOU MORE LOW-COST PP&L POWER!

Popularity of Pacific Power electric service sparks a record-breaking construction program

This power shovel operator is one of hundreds of construction workers who are busy today at the job of doubling PP&L's power generating capacity by the end of next year.

Pacific Power & Light will spend \$52,000,000 this year alone on the biggest development program in its history to keep you supplied with the electricity you need in this fast-growing region.
