NOTICE OF SCHOOL ELECTION UPON QUESTION OF INCREASING TAX LEVY OVER AMOUNT LIMITED BY SECTION 11, ARTICLE XI, STATE CONSTITUTION Notice is hereby given that an election will be held in School Districts 10, 25, 35c, 40, 1c, and 12, of Morrow County, State of Oregon, on May 10, 1957. The election will begin at 2:00 P. M. and will be held in the school house in each of said component districts. The purpose of submitting to the legal voters of said district the question of increasing the tax levy for the fiscal year 1957-1958 over the amount limited by Section 11, Article XI, of the Constitution of Oregon.

The reasons for increasing such levy are: 1. The low tax base due to the fact that some districts lost their base entirely and others could only be increased by the legal, allowed 6% per year. 2. Increased cost in maintaining buildings and making needed repairs. 3. Increases in teachers salaries. 4. High cost of supplies and equipment and repairs to some of our older buildings. 5. The purchase of three new busses for District 35c.

The total base of all Districts in Morrow County Rural School District is \$154,074.94.

The amount of tax, in excess of 6% limitation, proposed to be levied for said fiscal year is \$305,576.63.

Dated this 18th day of April, 1957. Attest: Jack C. Flug, District Clerk Fredrick Martin, Chairman, Board of Directors 6-7c

Beauty Eyes Beauty In "Queen" Contest

NEW YORK, N. Y.—The New York Convention and Visitors Bureau is once more making elaborate preparations for its summerlong "New York Is A Summer Festival" activities.

This brings up the pertinent question "What is a "Summer Festival" without a Queen?" Charming, blonde Fran Miller, a Conover television model, who will be one of several hundred New York's leading models competing for the "Queen" title discusses with Lee Meriwether, 1956 "Festival" Queen and former "Miss America," her chances of succeeding to the title.

The "Summer Festival" Queen will preside over such outstanding events as the summerlong visit of the replica of the historic "Mayflower," an all-Picasso exhibit being presented by the Museum of Modern Art, the dedication of the International Arrival Building at New York's International Airport, as well as the multitude of attractions, both old and new, that has made New York a haven for tourists from the four corners of America—and the world.

The new "Queen," following her selection by a distinguished Judging Committee, will assume her title on Thursday, June 20th, when the "Summer Festival" will be formally launched by Mayor Robert F. Wagner and Ethel Merman, singing star of "Happy Hunting," in her role as "Official Hostess" of the "New York Is A Summer Festival" season.

(Continued from page 2) whether or not they want quotas. If marketing quotas are imposed there would be no restriction on wheat marketing, and the support rate would be 50% of parity. However, growers would have to stay within their acreage allotment to be eligible for support.

Last week we made no mention of our recommended vegetable varieties for 1957 which we had carried in the past two news columns. The reason for this was at the time the column was being written it acted like it could snow any minute and did not put us in a mood for discussing gardens. Since the weather changed abruptly and the ground warmed sufficiently we can continue this week. It is now time for the first of successive plantings of sweet corn.

Many have their favorite varieties among the good ones are Pot O' Glod, a new medium early variety worth a trial. About 12 gardeners grew this sweet corn in 1956 and were well pleased with it. It may be hard to buy seed this year. North Star is an extra early medium quality variety. Seneca Golden and Golden Beauty are both early varieties with Seneca Arrow as a medium early one. Golden Cross bantam is perhaps the most popular and is a good main crop and later variety. It is also time for cucumber plantings. Burpee hybrid, Sensation hybrid, Surecrop hybrid, Lemon, Straight Eight and Cubet are slicing varieties and have proven popular here. Pickling varieties are M R 17, Snows perfection, National and Mincu, the last two are earlier varieties. Summer varieties include zucchini hybrids, caserta straight neck and yankee hybrid. Small winter varieties are uconn table queen and butternut; large varieties include a green Hubbard squash, banana, sweet meat and golden delicious.
