BIG M '57 TAKES ORDERS LIKE A PRIVATE

Instant obedience! Start! Neutral! Low! Drive! Reverse! The Big M's Merco-O-Matic Keyboard Control does just about everything but salute. It's so advanced you can even release the Toe-Set parking brake by pushing a button.

COMMANDS THE ROAD LIKE A GENERAL

You're in charge on any road. Here's two tons of solid authority... slung low (less than 4 1/4 feet) to take the tightest turns... built wide (6 1/2 feet) to hold the roughest roads... made mighty (up to 290 hp) to do the exceptional with matter-of-fact ease.

AND HAS ROOM FOR AN ARMY

No need to pull in your elbows. There's room for dad's legs, mother's hats, and for the family to grow in. For The Big M is the widest car in its field. In fact, there's so much hip room and shoulder room, you'd have to buy one of America's 3 most expensive cars to beat Mercury's seating space. Remember, too, that only Mercury brings you Dream-Car Design. Only Mercury has Floating Ride—

the most effective combination of bump-smothering features ever put between you and the road. And only Mercury offers innovations like the amazing power seat that "remembers" and a Power-Booster Fan in the Montclair series. Best of all, Mercury prices start just above the low-price field. There's no need to be wealthy—just wise. See for yourself—at our showroom today.
