SUMMERS FAMILY HOLDS FIFTH ANNUAL REUNION AT LEHMAN HOT SPRINGS

Descendants of Michael Mary Ellen Summers gathered at Lehman Hot Springs, Ukiah, June 22 and 23 for their fifth annual reunion. Helen H. of Fossil started the reunion in 1953 for the living descendants to visit once a year and it has now grown to a big annual reunion. The secretary was instructed to cast a unanimous ballot for the slate of officers for the coming year. They are Mrs. W. E. Wilkins, president; Mrs. R. P. Wehrli, secretary; treasurer, George Eaton, Condon and Ilene Wyman, Heppner, assistant secretary-treasurers; W. E. Wilkins, photographic historian; William Cooney, Lovelock, Nev., honorary president, and Emmet Smith, Condon, honorary vice-president. Many gifts were given various members and instead of the usual prizes for families attending with the largest families, gifts were presented to Mr. and Mrs. Robert Eaton, Condon and Mr. and Mrs. Harold Buell, Portland for their selections of additions to the Summers family group that fit so well into the Irish family descendants of the Summers family. The meeting closed with W. E. Wilkins asking the outgoing officers and each person present to file past and be photographed to complete his 5 year reunion pictures.

Orange Smoothie Dessert

Here's a foolproof, delicious sherbet recipe for use in your own refrigerator, one that utilizes two of our most nutritious and economical foods, frozen concentrated Florida orange juice and buttermilk.

High time you were aware of the fact that Florida citrus products, both the canned and frozen varieties, are one of the few foods that can boast about a price decrease in the last year. Reason enough for using them as often as possible, but when you think of the summer-time refreshment they offer, as well as their vitamin C content, so important to us in hot weather, they're musts on your shopping list.

Buttermilk is one of the best nutrition foods we have, and don't shy away from this recipe even if you don't normally drink buttermilk. Its flavor isn't discernible in the finished sherbet; it merely makes it a creamy, wonderfully textured concoction. Mighty easy too from the standpoint of ingredients.

Florida Sherbet

- 1 envelope unflavored gelatine
- 1/2 cup cold water
- 1/4 cup sugar
- 1 6-ounce can frozen Florida orange juice concentrate
- 3 6-ounce cans (2 1/4 cups) buttermilk

Soften gelatine in cold water. Dissolve over hot water; add sugar and stir until dissolved; pour into bowl. Add orange juice concentrate to gelatine; refill can three times with buttermilk. Add to concentrate mixture; stir well. Turn into freezing tray. When mixture is partially frozen, remove to bowl and beat until smooth. Return to tray and continue freezing until firm. YIELD: 1 1/4 quarts.
