## Another New and Bigger Forward Control 'Jeep' Truck

Here's a completely new, bigger, more powerful, 7,000 pound GVW, Forward Control 'Jeep' Truck—the all-new FC-170.

• More cargo space on less wheelbase! The new FC-170 puts a 9-foot pickup box on a wheelbase only 103 1/2 inches long. Bed is only 27 inches from ground for easier loading!

• More efficient space utilization! Compare it with any other 4-wheel drive truck. You'll find that only the FC-170 gives you so much cargo space per inch of wheelbase.

• New high in "big-load" maneuverability! The FC-170 is the only 4-wheel drive truck to give you "go-anywhere" 'Jeep' maneuverability with a payload capacity of up to 3500 pounds.

• Other outstanding features: High-torque Hurricane 6-226 engine, time-tested and performance-proved • 8-inch ground clearance to prevent off-road "hang-up" in rough, open country • With power take-off, the new 'Jeep' FC-170 operates a wide range of special equipment from winches to belt-driven machinery.

The Newest addition to the 4-wheel drive 'Jeep' family!

SPACIOUS SAFETY-VIEW CAB, with large wrap-around windshield, puts you in a "Forward Control" position, gives you greater command of any driving situation. Plenty of head and leg room for greater driving comfort.

"GO-ANYWHERE" 'JEEP' TRACTION— with the extra traction of its 4-wheel drive, and 63" tread, the FC-170 goes almost anywhere with ground-gripping stability—then shifts easily into 2-wheel drive for highway travel.
