## Come to My Fish Fry

Display your proud catch by having an old-fashioned fish fry in the back yard or on the patio. Here's the easy-does-it menu:

- Crisp Fried Fish
- Grill Baked Potatoes
- Green Bean Salad Normandy
- Cranberry Corn Muffins
- Pies-in-hand
- Butter
- Coffee

Oil and wrap the potatoes in aluminum foil. They may be baked on the coals, or in an oven, and kept hot on the grill. To make the muffins, add cubed jellied cranberry sauce (an 8 oz. can) to a package of corn muffin mix. The delicious "little" pies, that may be eaten picnic-style in the hands, are made easily with ready to use canned fruit pie filling and baked in the oven. And, here's the recipe for a salad that's perfect with fish:

### Green Bean Salad Normandy

- 4 slices bacon
- 1 medium size onion
- 1/4 cup chili sauce
- 2 tablespoons vinegar
- 1 tablespoon sugar
- 1/2 teaspoon salt
- 1/2 teaspoon pepper
- 1 can (16 oz.) cut green beans
- 1 cup sliced radishes
- Salad greens

Cook bacon, cut into half inch pieces, until almost crisp. Add chopped onion and cook until lightly browned. Remove from heat and stir in chili sauce, vinegar, sugar, seasonings and 1 tablespoon of bean liquid; cool. Pour over chilled drained beans and radishes; toss lightly. Serve on crisp greens. ## "A Cynic Is a Man Who Knows the Price of Everything, and the Value of Nothing"

By Phil Blakney  
Although it is a statistical fact that the price the average family spends for their medicines is now a lesser percentage of their total income than it used to be ten years ago, it is also a fact that their benefits are now much greater.

Modern prescriptions are really a great value because they help you to get well so much more quickly that you are sick only days, instead of weeks. Their price is low compared to their value.
