Minister Claims Persecution of Group

Ten American missionaries were deported to Puerto Rico from the Dominican Republic August 3, Ted Poland presiding minister of the Hermiston congregation of Jehovah's Witnesses, announced yesterday. Fare was paid by the government and the missionaries were escorted under arrest to the plane.

According to official news sources, of the Dominican Republic proscription of the Christian activity of Jehovah's Witnesses was legalized by President Hector Trujillo on July 25 and the law carries penalties of from one to three months imprisonment with fines of from \$30 to \$100. It was announced that over \$1 million had been appropriated by the Dominican government to enforce the ban.

Mr. Poland said a full-scale campaign to restrict the religious freedom of the Witnesses has been underway since July 1. Kingdom Hall meeting places had been ordered closed and about 250 of Jehovah's Witnesses were brought in for questioning. The Witnesses have been sub-
