A number of boys and girls will be carrying 4-H pig projects this year as a result of the pig scramble held during the Morrow county fair and rodeo. Those who caught pigs were Dianna Fullerton Anna Marie Brindle, Jennifer Brindle, David Lee Hanna, and Anthony Doherty, Heppner; Mitchell Ashbeck, Carla Luciana, Richard Willard and David Proudfoot, Echo; Kirk Mathews and Johnny Wagenblast, Lexington. These will be the first pig projects for all of these boys and girls. Three are new 4-H club members. Donors for the pigs for the 1957 pig scramble were Vernon Munkers, Lexington; Gary Van Blokland, William Rill, Jacqueline Brindle Edwin Miller Jr., David Anderson and Douglas Anderson, Heppner; E. M. Baker, Billy Akers and Mancell Townsend, Ione.

A number of farmers have called at the office to inquire about publicity in last week's paper concerning purchases of wheat for export under Public Law 480. Many were concerned when the announcement was made that soft white wheats would not be purchased under this program. Visiting with Bob Taylor, administrator of the Oregon Wheat Commission a few days ago we found that the reason for this announcement was that soft white wheat is not in surplus. Public Law 480 funds are used for only those commodities in surplus. A quantity of soft white wheat had originally been contracted to several countries both through Public Law 480 and by the trade; with these commitments it appeared that all the soft white was spoken for. Contacts at Washington,

D.C. by the Oregon Wheat Commission and Oregon Wheat Growers League assured Pacific Northwest producers that soft wheat was in demand and would be purchased as long as supplies held out. Report from Robert Baum of the Oregon Wheat League who is now in Japan or India is that there is quite some demand for lower protein soft white wheat there.

Farmers are reminded of the September 30 deadline date for filing for refund tax on gasoline used during the period July 1, 1956 to July 1, 1957. Form 2240 is available at this office. The form is simple and easy to fill out and if you have used any gasoline at all that comes under the provisions of tax refunds, your time will be well spent in completing the form.

Big Boardman Fair Parade is Watched by Many

By Mary Lee Marlow

The last day of the North Morrow county fair Saturday had a large crowd watching the sixth annual parade which started at the school house at 10 a.m. The parade nearly a mile long had 11 floats as well as the Morrow county fair queen, Christine Swaggert, and her court. Leading the parade with the national flag was Jimmy McCoy of Irrigon. Leon Kennedy, the clown with his mule, drew many laughs. Both the Irrigon school band and the Boardman school band played in the parade. The parade wound through the streets of town, ending at the fair grounds. Dewey West was announcer.

Winners of floats were: Boardman Garden club, first, their theme being "Red Sails in the Sunset"; Boardman Tillicum club second, with the theme "School Days"; Boardman 4-H third, "Tenting Tonight", being their theme. In the novelty division, the prize went to Dewey West's Chevron station float.

Grand champion winners chosen Friday were: 4-H, Irene Potts, showmanship, showing a 2 year old Hereford heifer; Chloe McQuaw, top Jersey heifer; Richard Watts, top Hereford heifer; and Bill Taylor, top Jersey cow in the FFA division.

Grand champion winners in open classes were Ralph Skoubo, Guernsey cow; Leo Barnett, Hereford cow.
Mrs. Ed Kuhn was the winner of the nationwide crochet contest, showing a crocheted centerpiece. Other winners in the contest

CHEVROLET PICKUP CLIMBS PIKES PEAK THE HARD WAY ...OFF THE ROAD!
An off-the-road run up Pikes Peak was called impossible by people who know the mountain well. But a production Chevrolet pickup actually did it... to prove its pulling power and ruggedness!
All the way to the top without using the road! Here the truck scales high boulder pile near the 14,110-foot summit.
Steep grade near timberline—a rugged test of power. The power and torque of Chevrolet's famous Thriftmaster 6 proved more than a match for the most difficult grades.
Miles of loose boulders and thinning air offer extreme challenge. Yet the big Chevy engine never faltered; it performed flawlessly mile after mile, all the way up the mountain!
Final effort achieves summit! Pickup conquers Pikes Peak... shows why Chevrolet trucks are famous for staying and saving on tough jobs! Talk trucks with your Chevrolet dealer.
