ROSY SAYS: Here are my predictions of things to come in new motor cars for 1958: The wide acceptance of the 1957 Ford will cause other manufacturers to make a few changes. Some will have style-tone paint like the 1957 Ford. Some will lower their cars a little but will not have the low, solid and secure look of the 1957 Ford. Some will increase their horsepower a little and try to match Ford's outstanding performance, but the 1958 Ford will be just as far ahead of competitive cars as the 1957 Ford has been. P.S. We are clearing the decks on 1957 models to make way for the new 1958 Ford. You will never be able to make a better deal than right now.
