SATURDAY NIGHT BANQUET

From Sunny Groves, Pure Gold

No blues from this Southland—Florida gives us oranges instead. And grapefruit too, of course, bright and yellow like the sunshine they grow in. Maybe you were on someone's gift list to receive a basketful of beautiful citrus fruits this holiday season. If so, you're probably wondering how to utilize the fruit besides juicing it. You can make preserves and relishes, too, that can be put away for the future enjoyment of your family and guests.

Local dealers will be handling more Florida citrus than ever this winter so don't feel badly if you didn't get a gift basket. The best oranges and grapefruit are in your neighborhood, just filled with health-giving vitamin C. During the winter months be especially sure to get enough of this infection resisting vitamin.

Try spiced orange wedges with your next pork roast. They make a perfect flavor accompaniment:

- Spiced Orange Wedges**
- 4 Florida oranges
 - 2 cups sugar
 - 1 1/4 cups water
 - 1/2 cup vinegar
 - 12 whole cloves
 - 3 pieces stick cinnamon
- Put whole oranges in saucepan; add 1 quart water. Bring to a boil; boil 20 minutes. Drain and cut into eighths. Combine sugar, 1 1/4 cups water, vinegar, cloves and cinnamon; stir over low heat until sugar is dissolved. Bring to a boil; add pieces of orange and simmer about 20 minutes. Cool; cover and store in refrigerator. Serve as a relish. NOTE: Orange wedges may be spooned into hot sterilized jars and sealed.
- Orange Cranberry Relish**
- 2 Florida oranges, quartered and seeded
 - 4 cups fresh cranberries
 - 2 cups sugar
- Put orange quarters with peel and cranberries through food chopper. Add sugar to mixture. Chill in refrigerator several hours. YIELD: 1 quart. NOTE: This relish will keep well in refrigerator several weeks.
