Utility and beauty have been combined in modern design to make the new home of the Heppner Branch of the Bank of Eastern Oregon one of the finest banking offices in this part of the state. We feel mighty proud of our new building, and we want all of our friends to join with us during our open house next Saturday when we open for business in our new building. Our new facilities are second to none, and it is our intention to make our service to you just as good.

We extend a special invitation for you to join us for our opening party . . . we want you to see our new building, learn of the many services we can now offer you, enjoy the music and entertainment we are offering and accept the special gifts we have for everyone who visits us. The Bank of Eastern Oregon is YOUR bank . . . and the wonderful way you have accepted us into your community makes us doubly proud of the opportunity we now have to show you that we believe completely in the future of Heppner and Morrow County.

Be our guests next Saturday!
