

## Conduct Lone P-TA Program

By Echo Palmateer  
 Men had charge at the meeting at the school cafeteria Wednesday evening Jan. 14. Heimburger acted as president and John Proudfoot as second treasurer. The flag was given and Rev. Charles Akers gave the invocation. Fredrick Martin gave a report on the school reorganization and Mrs. Omar Rietmann on the possibilities of a museum and asked for

the Heart fund. A contest will be held for the school children and the following prizes given on Americanism: for the 7th, 8th, and 9th grades, first prize \$5 and 2nd \$2.50. For the 10th, 11th, and 12th grades \$5 for the first and \$2.50 for 2nd. Mrs. Edith Nicholson is Americanism chairman. A cedar chest will be purchased and will be filled by the members and sold in the spring. Refreshments were served by Mrs. Tad Miller and Mrs. Ernest McCabe.

etter was read stressing shots for every one under 18 years of age. The meeting was led by slides shown by Jo Lujan, High school instructor here who is employed as ranger at Yellowstone each year. Andon Hamlett had charge of the program. It consisted of solo number on the guitar by Buster Botts and solos by Paulson on the zither.

The Topic club met at the home of Mrs. Noel Dobyns Friday afternoon Jan 10 with Mrs. Arvilla Swanson as co-hostess. The business meeting was conducted by Mrs. John Proudfoot, president. The roll call was answered by naming an outstanding person connected with the history of a South American country. Mrs. Dobyns gave a report on Brazil and Mrs. Proudfoot a report on Peru. There were 16 members and 3 guests present.

Refreshments were served by Lindstrom, Hershall, Town-Gordon, White, Wallace, Ray Heimburger, Donnell, Elligott, Walter Jacobs and Baker. The tables were decorated in the Mexican theme.

The 12th night was observed Monday evening Jan 6 by burning of Christmas trees and greens in the Omar Rietmann vacant lot. This was sponsored by the Garden club. Rev. Charles Wilkes gave the invocation and the benediction and Rev. Floyd Bailey gave a talk on the fourth wise man. Christmas carols were sung led by Gary Stephenson. Cupcakes were served to all. Mrs. William Rawlins and Mrs. Omar Rietmann had charge of the ceremony.

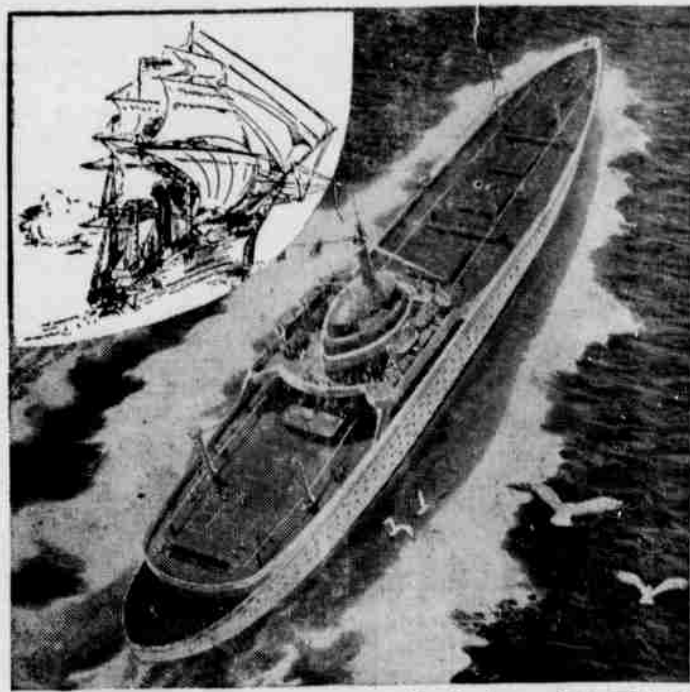

American Legion Auxiliary their meeting Tuesday afternoon Jan 7 at the Legion hall. John Eubanks, rehabilitation man reported that gifts valued at \$77.21 were sent to the shop in the Veteran's hospital in Portland. He asked for nylon hose for the veterans at Roseburg hospital and the unit will make paper hats again this year for the veterans' hospitals. The unit will use material to be made into hats for the hospitals. Mrs. McCabe, junior activities man reported on her Christmas party for the girls and stated they would also make paper hats. The unit gave \$2.50 to

Mrs. Edna Yarnell left for her home in Portland last week after visiting her daughter and family. Mr. and Mrs. Charles O'Connor.

Mrs. Floyd S. Bailey is visiting her sons in Hemet, Calif.  
 The Maranatha club met at the home of Mrs. Gary Tullis Wednesday afternoon Jan 8 with Mrs. Clell Rea as co-hostess. At the business meeting conducted by Mrs. Bryce Keene, president, it was reported that the new dish washer given by Mr. and Mrs. Albert Lindstrom was being installed. Also the sink given by Mr. and Mrs. Roy Lindstrom. Mrs. Omar Rietmann gave a talk on the possibilities of a county museum and asked for suggestions and ideas of the subject. She is co-chairman on this project. The project for the club this year is fixing the entrance hall in the Community church. The unit will purchase a doll and the members will make clothes for it and sell it later. A traveling food sale

## Famous American Ships

The new nuclear cargo-passenger ship is shown here with the SAVANNAH, first steam powered vessel to cross any ocean. The keel for the atomic ship, first of her kind ever built, is expected to be laid on National Maritime Day, May 22, 1958, anniversary of the SAVANNAH sailing in 1819 on her record-making voyage. Because the new ship will give the United States a "first" in nuclear ocean transport as her predecessor did in steam, many people think she ought to bear the same famous name. It is an interesting contrast that, whereas the steamer of 1819 could not carry coal enough to let her use her engines all the way to Europe, this new SAVANNAH will be able to sail for three years without refueling! She will cost \$42,000,000, but be worth every penny of it if she can restore American shipping to a position of leadership on the world's oceans. (The atomic ship drawing was made for Newsweek magazine and was used as their cover picture.)

will be held by the club Feb. 14. Mrs. Kenneth Smouse received the door prize.

Books added to the public library are: The Mapmaker, Slaughter; Rally Round the Flag, Boys, Shulman; The Boys Second Book of Radio and Electronics, Morgan; Angel of Skis, Cavanaugh; Black Gold, Henry; Exploring the Atom, Neuraath; U. S. Air Force Academy, Engeman; Our Friend the Atom, Haber; Exploring Under the Sea, Hinton; Exploring Mars, Gallant; How the Grinch Stole Christmas, Seuss; Davy and His Dog, Lenski; Story of Albert Schweitzer, Daniel; The World of Pooch, Milne; Rusty's Space Ship, Lampman; Joe's Boys Alcott; Exploring by Satellite, Branley; The Earth Satellite, Lewellen.

- Dates to Remember**  
 Jan 17--H. E. C. of Willows grange at the home of Mrs. James Lindsay with a potluck dinner at noon. Members will bring salads and desserts.  
 Jan 19--Willows grange meeting at the hall with potluck dinner at noon and initiation and meeting in the afternoon.

 Jan 22--America club meeting at the Community church basement. This meeting was postponed from this week.

Mr. and Mrs. A. E. Stefani gave

### "Science Surpasses The Miracle Of Mythology"

By Phil Blakney

The practice of medicine and pharmacy in ancient days was based chiefly on wishful hope. Little was known about how the body was constructed. Most diseases were considered to be caused by evil spirits. Modern perfected methods of diagnosis enable physicians to correctly determine the cause of sickness. Fortified by this knowledge and ably assisted by recently perfected drugs they often, almost overnight, produce results that were formerly impossible. That is why now, more than ever it is wise to consult your physician when sick.

We wouldn't have to fight posts in a  
**Timberib**  
 building!

You couldn't run into a post inside a Timberib building if you tried. There aren't any. In fact, there's nothing inside these durable arch-topped buildings except 100% usable space which you can get at the lowest cost of any equally permanent or handy structure.

The Timberib rafters which frame the buildings are engineered for rugged farm service. They are pre-cut, pre-fitted and pre-drilled to go up fast, even with regular farm labor. Available in several designs in clear span widths from 24 to 60 feet.

If you are thinking about a building for machinery or grain storage, or a barn, loafing barn or utility building, investigate the economies of Timberib. See us or write for catalog of farm buildings.

WHILE CAR PRICES WENT UP THROUGHOUT THE INDUSTRY, THE PRICE OF THIS CAR WENT DOWN

Here's good news: Ford has priced many of its '58 models lower than corresponding 1957 models! Ford Custom 300's are priced as much as \$50 lower than last year. This is based on a comparison of manufacturers' suggested retail delivered prices.

**Whod ever guess it's the lowest priced of the low-price three**

In case you haven't yet gotten around to pricing this elegantly styled '58 Ford Custom 300, put your mind at ease. When you compare manufacturers' suggested retail delivered prices, you'll find that this Ford is priced lower than any sedan in its field. And Ford has the lowest-priced station wagon and convertible, too!

But price isn't everything. The '58 Ford was the first car ever to use the whole world as its test track! This meant taking the all-new Interceptor V-8, combining it with new Cruise-O-Matic Drive, and tackling some of the roughest roads we could find on three continents. This terrific power team proved it could handle any driving you'll ever do!
