NOTES! WE'LL NEVER GET AT THE GRAIN IN THAT!
Timberib
BUILDING!
LET'S MOVE ON MATILDA!

You shut the door on damage to your grain when you store it in a permanent, versatile Timberib building. At the same time you get post-free space which permits mechanized grain handling.

When not used for grain storage, your Timberib building is ideal for machine storage, loafing barn, or utility building. And the cost? It's the lowest of any comparable building—material costs as low as 94 cents a square foot.
