IN THE SADDLE . . . With The Wranglers

By JOHN NEWMAN

We have six new members. . . Welcome Mr and Mrs Jack West, A L Lytle, Tony Pedro and family, Ed Abercrombie and family, and Mr and Mrs Jack Fry.

If silence gives consent, I would say the suggestion to have a reunion potluck honoring the charter members of the club followed by a barn dance met with wholehearted, enthusiastic approval. When asked for volunteers to help with the potluck, the response causes one to wonder if it is more glorious to give than to receive. Those present know the joy of giving and felt they would like to share it with those not present. Those who stayed at home for fear their eagerness to help might show, should keep coming. We are sure to find where you can help.

Sunday was a great day at the grounds. A good turnout that turned out a lot of work in spite of rain, hail and high water. We

didn't get to play much, but are about ready now.

Fred Mankin donated the entrance gate, like his heart, "full size." If you can't get through it you will never make the bridge. Tum-A-Lum gave us five gallons of paint, Claude Buschke a keg of nails, Case Furniture sent word they had some paint for us. I would say this is a mighty generous cooperative community.

From the dreamer to the critic . . . if it is worth while they are for it in an active sort of way—Don Evans brought his dozer in and moved thousands of yards of earth backing the dreamers so dreams can become a reality. With this same cooperation our sale should be a success, also the potluck and barn dance following it as sort of a celebration. That is April 19—let's all make a day of it.
