

## Mustang Track Squad Gets Win At Saturday Meet

By JIM MORRIS  
It seems that around HHS these days a gigantic but young track team is shaping up. This group of agile youngsters are mostly sophomores and juniors but they have been building themselves quite a reputation. This is backed by the fact that they walked off winners of the Heppner-Willow Creek track meet last Friday with a score of 33 points. Standouts for Heppner in the meet were Tom Driscoll who collected 14 and 13 points respectively for the Mustang cindermen.

### Umatilla Club Slates Horse Sale

The seventh annual horse sale sponsored by the Umatilla Sage Riders will be held at their arena grounds April 20th starting at 10 am. This is situated half way between Hermiston and Umatilla on Hi-way 32, just across from Power City.

Starting as a small local sale and exchange of horses seven years ago, this auction has built up until it is the largest in the Northwest. Credit for this success is due to the tremendous efforts of Betty and Omer Bonney. Omer is a past president of the Sage Riders and an auctioneer who specializes in horse sales.

Last year this horse sale of the Sage Riders attracted a crowd estimated at 3,000 with 254 head of horses consigned. This year more are expected. To mention a few, Marlon Purdy of Cottage Grove is bringing a 2 year old quarter horse stud and a yearling full sister of this stud. Sonny Thomson is sending a carload from his quarter horse ranch in Kansas. Nine of these mares will be permanent papered. Then on deck will be a quarter horse mare that was grand champion two years running in the state of Washington. Consignments have also been received from a former Hermiston resident, F F Jacobs of Battle Ground, Washington. Another quarter horse breeder, Bill Jordan from Vancouver, is bringing some of his horses. Besides stock horses, every type will be offered, palominos, parade horses, kid ponies, and just about every kind to choose from.

The Umatilla Sage Riders are a very active bunch, participating in many parades, and usually receiving recognition. Their many trophies are on display in the Inland Empire Bank in Umatilla. The drill team has been well received in many exhibitions during rodeos, and have been invited back year after year. The Palomino polo team holds the Northwest championship honors, having never been defeated in the many competitions they have engaged in from Prineville to Oregon City, as well as many matches in Washington. May 4 will see a beginning of an inter-club gymkhana between the Morrow County Wranglers and the Umatilla Sage Riders.

### HERMISTON PLANS ANNUAL SMORGASBORD

### TB and Health Group Names New Officers; Seal Sale Successful

The Morrow County TB and Health Association held their annual dinner meeting at Boardman on April 8 with 36 members attending. Don Harmon, case finding director from Oregon TB and Health Association, was guest speaker.

New officers for the coming year are: Mrs Rod Murray, president; Mrs Robert Abrams, vice-president; Mrs Velma Glass, secretary; and Mrs W W Weatherford, treasurer. Mrs Edwin Dick, Jr, will be county seal chairman again.

The budget was read and approved.

Mrs Dick reported a successful seal sale again for 1957 with total receipts of \$1334.00. 74% of the Seal Sale funds remains in the county, 26% goes to the Oregon state TB and Health Association and 6% of this amount in turn is sent to the National TB and Health Association for research work.

Mrs Glass, reporting for nursing scholarship committee, stated that Miss Irene Niemczak, recipient of the 1957 health career scholarship, was capped recently at ceremonies at Good Samaritan hospital in Portland. After she completes 3 years of training in the hospital there, she will graduate as a registered nurse, at which time she will come to Heppner Memorial hospital for her first year of duty in accordance with the terms of our agreement when she received her scholarship. Money has been allocated again this year for a deserving Morrow county student who wishes to receive training in the field of health careers.

Robert Abrams read the proposed articles of incorporation and final acceptance will await further deliberation by the executive board.

The members of the association wish to remind residents of Morrow county that free chest X-rays are given at Pioneer Memorial hospital on the first Wednesday of every month between the hours of 7:00 and 8:30 pm. The Morrow county TB and Health Association pays only for those persons 15 years of age or older who reside in Morrow county. Arrangements are being made with associations in adjoining counties who do not have a similar program, to pay for chest X-rays obtained by their residents.

Mrs Glass reported that a tuberculosis testing program is being conducted annually in Morrow county schools. The supplies are purchased by the TB and Health Association and administered by the health department. The first, seventh and twelfth grades are patch tested each year.

### State Science Fair Exhibit Scheduled April 20-26 at OSC

OREGON STATE COLLEGE—Nearly 1,000 top exhibits from 27 regional science fairs in Oregon this year will be entered for state judging and exhibit April 20 to 26 at the Oregon State college coliseum in the sixth annual Northwest Science Exposition.

Some 42,000 elementary and junior high school students prepared exhibits this year for school science fairs across the state. Winners in school fairs qualified for regional shows, and regional winners for the Exposition.

Judging will take place Sunday night, April 20, and first place winners in the four grade divisions—elementary, intermediate, junior high and senior high will be announced Monday. Exhibits will be open to the public Monday through Friday from 9 am to 9 pm.

The awards dinner at which sweepstakes winners will be honored is scheduled Friday night. College scholarships, scientific books, and other prizes await the top winners.

The science fairs are sponsored by the Oregon Museum of Science and Industry. Douglas Huegli is museum director and E Michael O'Callahan is in charge of the science fair program, which has won national recognition for numbers participating and quality of exhibits.
