## IN THE SADDLE . . . With The Wranglers

By JOHN NEWMAN

Did you get in on the auction Saturday, or the potluck afterwards? What did you think of Bruce... he opened with less embarrassment that he displays when missing a calf. Frank Turner came back with a very good run down on the origin and history of the club. He made it very interesting and informative. I learned from his talk that he is the oldest member in the club and that he has gone into semi-retirement—he no longer rides horses, has quit wine and singing and hopes to remain a Wrangler as long as he can drive a car and retain interest in women and good horses. He implied that when he had lost his eye for the latter two he would retire. Amen!

Bill Collins brought back many happy memories of the past with pictures he had taken since the club was born 11 years ago. To these, and to Archie, Herman, Roice and Johnnie, their wives and everyone who contributed in any way to the success of the sale and the enjoyment of the evening, I wish to say thanks, not only in behalf of the club, but from the depth of my heart as well—you all did a great job.

The sale brought \$427.50 and \$25 donations to date made \$452.50 which should get us off the hook. If we are careful we should get to operating with an eye toward a club house in the future.

Ralph says if this rain keeps up we may have his playday Sunday at the grounds. Let's get it ready, it should be lots nicer there than in a muddy corral or having it called off.

Let's plan to hit it Saturday morning and make a day of it.

Two or three men on the announcer's stand could side and cover it, two or three on the fence, that many on the corral and gates, three or four on the rest rooms and one electrician could do a lot. We have our work cut out for us, but it can be done. Let's try just to get the feel of playing on our grounds. I'll be there, will you? Till then—your janitor.

P S—The ladies have volunteered to serve coffe and ----free to the workmen.
